Section 1 Introduction

Aloha HMSA Federal Plan Members,

The doctors and other health care providers you choose can affect how much you pay out of pocket for their services.

Where to get care

If you get care from participating providers, you'll only pay copayments and/or a coinsurance and you won't have to file claims. If you use our point-of-service program, you can also get care from non-plan providers, but it'll cost you more.

We consider the following when evaluating and approving providers:

- Is the provider accredited by a recognized accrediting agency?
- Is the provider appropriately licensed?
- Is the provider certified by the proper government authority?
- Are the services performed within the lawful scope of the provider's respective licensure, certification, and/or accreditation?

Participating providers

Participating providers are physicians and other health care professionals in our service area that we contract with to provide services to our members. We credential plan providers according to national standards.

To receive plan benefits for out-of-state services under this plan, the services must be provided by a Blue Cross and Blue Shield participating provider.

We list plan providers in this directory.

Non-plan providers

Non-plan providers are physicians and other health care professionals who aren't under contract with this plan.

For out-of-state services under this plan, non-plan provider benefits are applied for services performed by non-Blue Cross and Blue Shield Association programs.

Plan facilities

Plan facilities are hospitals and other facilities in our service area that we contract with to provide services to our members. We list these in this provider directory.

It's important to know that when you enroll in this plan, benefits are available as described in the plan's federal brochure. The continued participation of any one doctor, hospital, or other provider cannot be guaranteed.

This directory can change without notice. We cannot guarantee the continued participation of any provider. Also, some providers in this directory may not accept new patients. Others may limit their practice to a particular age group or gender. Please call us at (808) 948-6499 or 1 (800) 776-4672.

Directory is current as of October 23, 2026.

NOTE:

- Most participating providers listed are accepting new patients. However, providers may change their policy. Ask the provider if you have any questions.
- If there's no board certification listed, that information may not be available or the provider may not be board certified.
- If there's no hospital affiliation listed, that information may not be available or may not be applicable.
- All participating providers speak English. Ask the provider if they speak any other languages.
