SECTION 3: SELECT YOUR PLAN PREMIUM PAYMENT OPTION

If we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty assessed), we need to know how you would prefer to pay it. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

If you don't select a payment option, you'll receive a bill each month.

Please select a premium payment option:

- HMSA will mail you a bill each month.
- Electronic funds transfer (EFT) from your checking or savings account each month.
 - New (Please complete the enclosed HMSA Dues Payment Authorization Form.)
 - Existing HMSA Akamai Advantage member with EFT – authorize HMSA to retain same EFT.
- Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check. I get monthly benefits from:
 - Social Security
 - Railroad Retirement Board

(The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from the point withholding begins, which could correspond to your enrollment start date. If Social Security or RRB doesn't approve your request or approves it for a later date, we'll send you a paper bill for your monthly premiums.)

If you must pay a Part D-Income Related Monthly Adjustment Amount, the Social Security Administration will notify you. You must pay this extra amount in addition to your plan premium. You'll either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or RRB. **DO NOT** pay HMSA the Part D-Income Related Monthly Adjustment Amount.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75 percent or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify won't be subject to the coverage gap or late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about Extra Help, contact your local Social Security office or call Social Security at 1 (800) 772-1213 toll-free. TTY users should call 1 (800) 325-0778 toll-free. You can also apply for Extra Help online at [socialsecurity.gov/prescriptionhelp](https://www.socialsecurity.gov/prescriptionhelp). Premiums, copayments, coinsurance and deductibles may vary based on the level of Extra Help you receive. Please contact the plan for further details.

If you qualify for Extra Help with your Medicare prescription drug costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we'll bill you for the amount that Medicare doesn't cover.

SECTION 5: PLEASE READ AND SIGN ON FOLLOWING PAGE

By completing this enrollment application, I agree to the following:

HMSA Akamai Advantage Dual Care (HMSA Akamai Advantage) is a Medicare Advantage plan that has a contract with the federal government. I'll need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. I'm responsible for letting HMSA Akamai Advantage know about any prescription drug benefits that I have or may get in the future.

Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (example: October 15 – December 7 of every year), or under certain special circumstances.

HMSA Akamai Advantage serves a specific service area. If I move out of the area that HMSA Akamai Advantage serves, I need to notify HMSA so I can disenroll and find a new plan in my new area. Once I'm a member of HMSA Akamai Advantage, I have the right to appeal plan decisions about payment or services if I disagree. I'll read the *Evidence of Coverage* from HMSA Akamai Advantage when I get it to know which rules I must follow to get benefits with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited benefits near the U.S. border.

I understand that beginning on the date HMSA Akamai Advantage coverage begins, using services in-network can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If medically necessary, HMSA Akamai Advantage provides refunds for all covered benefits, even if I get services out of network. Services authorized by HMSA Akamai Advantage and other services contained in my HMSA Akamai Advantage *Evidence of Coverage* document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR HMSA AKAMAI ADVANTAGE WILL PAY FOR THE SERVICES.**
