Chapter 1: Critical Concepts

This chapter explains important concepts that affect your coverage. In many instances, you will be referred to other chapters for additional details about a concept.

Using Your Dental Guide to Benefits

This **Guide** explains your dental coverage in nine chapters. Each chapter explains a different aspect of your coverage.

Review Entire Document

While you might refer to some chapters more often than others, keep in mind that all chapters are important. You should familiarize yourself with the entire guide. For a quick view of all chapter topics, see *Table of Contents* at the beginning of the guide.

Terminology

The terms **You** and **Your** mean you and your family members eligible for this coverage. **We**, **Us**, and **Our** refer to HMSA.

The term **Provider** means an approved **Dentist** or other practitioner who provides you with dental care services. Your provider may also be the place where you get your services, such as routine dental care services or specialized dental services.

Definitions

Throughout this guide, terms appear in ***Bold Italics*** the first time they are defined. Terms are also defined in *Chapter 9: Defined Terms*.

How to Contact Us

If you have any questions about your coverage, you can refer to this Guide or call us at (808) 948-6440 or 1(800) 792-4672 toll-free. If your question is regarding a dispute, see *Chapter 6: Resolving Disputes*.

How You can Help Control Your Dental Costs

- Carefully read your guide so that you understand your dental **Plan** and how to maximize your coverage.
- Take care of your teeth daily (brush at least twice and floss at least once).
- Schedule and receive regular teeth cleaning and exams as often as your dentist recommend. For details on how often these services are covered under this plan, see *Chapter 3: Services & Copayments*.
- Don't let a minor dental problem become a major one.
- Be an active participant in your treatment so you can make informed decisions about your dental care. Talk with your Dentist and ask questions. Understand the treatment program and any risks, benefits, alternatives, and costs associated with it.
- Take time to read and understand your ***Explanation of Benefits (EOB)***. This report shows how we determined payment. Make sure you are billed only for those services you received. For details regarding the EOB, see *Explanation of Benefits (EOB)* under *Chapter 5: Filing Claims*.

Covered Service Criteria

To determine whether or not a specific service is covered under your plan and eligible for payment by us, all of the following criteria must be met:

- The service is listed as covered in *Chapter 3: Services & Copayments*. Please note even if a service is covered, you may be responsible for a portion of costs. For more information, see *Chapter 2: Amounts You May Owe*.
- The service is not specifically excluded. Even if a service is not specifically listed in *Chapter 3: Services & Copayments* as an exclusion, it is not considered covered unless the care meets all of the criteria listed in this section.
- The service meets **Payment Determination Criteria** (see *Chapter 9: Defined Terms*). You may ask your provider to contact us to determine if the care you seek meets payment determination criteria. We should be contacted before you receive the care in question.
- The service is consistent with our dental policies. Call us if you have questions.
- The service is ordered by and received from an HMSA Dental Network Provider, or services are for an emergency.
- Another party does not have an obligation to pay. If another party is responsible, payment under this coverage may be affected. See *Chapter 7: Other Party Responsibility*.
- The service is not subject to a **Waiting Period**.
- The service has not exceeded a stated service limitation. See *Chapter 3: Services & Copayments*.
- Authorization is obtained for any services requiring prior authorization. See *Services that Require Prior Authorization* later in this chapter.

24/7 Emergency Dental Care

Your HMSA Dental plan includes access to virtual dental visits delivered by TeleDentistry.com.

If you have a serious and/or painful dental issue and you cannot get in touch with your dentist after hours, you have 24/7 access to a dentist by phone or video call. This valuable benefit can save you both time and money.

- The service is available to you on island or on the mainland, you'll be connected to a dentist who'll help resolve the problem and write prescriptions if necessary. The Teledentistry.com dentist can refer you to an in-network HMSA dentist or your regular dentist for further care as needed.
- Visit hmsadental.com/teledentistry or call (866) 256-1871.

Choosing a Dentist

Under this plan, you can seek care from almost any dentist. To keep your costs as low as possible, you should go to a participating dentist whenever possible. For a listing of participating dentists, refer to HMSA's Directory of Participating Dentists. Please note: the directory is subject to change and may not reflect the most current information about a dentist. To confirm a dentist's status for the PPO network in Hawaii or on the Mainland U.S., you can ask your dentist, call us, or visit our online provider directory at hmsadental.com/find-a-dentist.

Participating Dentist Facts	Non-Participating Dentist Facts
We have contracts with participating dentists. We recognize and approve participating dentists.	We do not contract with nonparticipating dentists or located outside the United States.
HMSA also contracts with a third party to provide dental benefits through their network.	You are responsible for dental services rendered outside the United States and its territories.
We credential participating dentists. We look at many factors including licensure, professional history, and type of practice.	We do not credential nonparticipating dentists.
They agree to comply with our payment policies.	They do not agree to comply with our payment policies.
They agree to file claims for covered services on your behalf.	You are responsible for ensuring that claims are filed. If the Dentist does not file for you, you must file yourself. See <i>Chapter 5: Filing Claims</i> .
They agree to submit Prior Authorization requests for specific covered services on your behalf.	You are responsible for getting the approval. If you do not receive approval and receive any of the services described in this chapter, benefits may be denied.
They agree to accept our eligible charge as payment in full for covered services, (with the exception of *High-Cost Procedures). For information related to *High-Cost Procedures, refer to <i>Chapter 2: Amounts you May Owe</i> under Amounts Exceeding Eligible Charge. You are not responsible for any difference between the eligible charge and the amount billed by the dentist (unless the covered service is considered a *High-Cost Procedure).	They do not agree to accept the eligible charge as payment in full. You must pay the dentist in full at the time receive services. We reimburse the eligible charge minus any applicable copayment and deductible. The eligible charge may be less than the dentist's charge.
You pay the applicable copayment at the time you receive services.	You pay the provider in full at the time you receive services. We reimburse you any applicable amount after We receive and review a claim.
You pay the applicable deductible at the time you receive services.	You pay the provider in full at the time you receive services. We reimburse you any applicable amount after we receive and review a claim.

Services that Require Prior Authorization

Prior Authorization is a written request by a provider for verification of benefits prior to rendering services. This request helps us determine how we will process a claim based on your benefits. If you are under the care of an HMSA participating dental provider or contracting provider, he or she will get approval for you.

Prior authorization is required for the following services and devices. Failure to get our approval will result in a denial of benefits if the services or devices do not meet HMSA's payment determination criteria. **Your provider is not responsible for treatment costs or penalties for failure to obtain approval.**

You are responsible for 100% of charges for the services listed below if prior authorization is not obtained before services are rendered:

- Crowns and Dentures
- Periodontal Scaling
- Denture reline and rebase
- Maxillofacial Prosthetics
- Medically Necessary Orthodontia

How to Request Prior Authorization

Ask for prior authorization by writing us at:

HMSA Dental Services
P.O. Box 69436
Harrisburg, PA 17106-9436
Fax: (888) 255-0876

If you have questions, please call us at:
(808) 948-6440 or 1(800) 792-4672 toll-free.

Changes to this Guide's List of Prior Authorization Services

From time to time, we need to update the list of services and supplies that require prior authorization. Changes are needed so that your plan benefits remain current with the way therapies are delivered. Changes may occur at any time during your plan year. If you would like to know if a treatment, procedure, or device has been added or deleted from the list in this guide, call us at the telephone number(s) listed above.

Our Response to Your Request for Prior Authorization for Non-Urgent Dental Care

If your request for prior authorization is not urgent, HMSA will respond to your request within a reasonable time that is appropriate to the medical circumstances of your case. We will respond within 15 business days after we receive your request. We may extend the response time once for an additional 15 business days if we cannot respond to your request within the first 15 business days and if it is due to circumstances beyond our control. If this happens, we will let you know before the end of the first 15 business days. We will tell you why we are extending the time and the date we expect to have our decision. If we need added details from you, we will let you know and give you at least 45 business days to provide the information.

Our Response to Your Request for Prior Authorization for Urgent Dental Care

Your care is urgent if the time periods that apply to prior authorization for non-urgent care are the following:

- Could seriously risk your life or health or your ability to regain maximum function, or
- In the opinion of your treating physician or dentist, would subject you to severe pain that cannot be adequately managed without the care that is the subject of the request for prior authorization.

HMSA will respond to your request for prior authorization of urgent care as soon as possible given the medical circumstances of your case. It will be no later than 24 hours after all information sufficient to make a determination is provided to us.

If you do not provide enough details for us to determine if or to what extent the care you request is covered, we will notify you within 24 hours after we receive your request. We will let you know what information we need to respond to your request and give you a reasonable time to respond. You will have at least 48 hours to provide the information.

Appeal of Our Prior Authorization Decision

If you do not agree with our prior authorization decision, you may appeal it. See *Chapter 6: Resolving Disputes*.

Is the Care Consistent with HMSA's Dental Policies?

To be covered, the care you get must be consistent with the provider's scope of practice, state licensure requirements, and HMSA's dental policies. These are policies drafted by HMSA Dental Directors, many of whom are practicing dentists, with community dental and nationally recognized authorities.

Each policy provides detailed coverage criteria for when a specific dental service meets payment determination criteria. If you have questions about the policies or would like a copy of a policy related to your care, please call us at (808) 948-6440 or 1(800) 792-4672 toll-free.

Agreement

The Agreement between HMSA and you is made up of all of the following:

- This Guide to Benefits.
- Any riders and/or amendments.
- The enrollment form submitted to us.

Our Rights to Interpret this Document

We will interpret the provisions of the Agreement and will determine all questions that arise under it. We have the administrative discretion:

- To determine if you meet our written eligibility requirements.
- To determine the amount and type of benefit payable to you or your dependents according to the terms of this agreement.
- To interpret the provisions of this Agreement as is needed to determine benefits, including but not limited to decisions on medical necessity and applicable changes in HMSA's dental policies.
- To make changes as required by Federal law and/or Hawaii State Law.

Our determinations and interpretations, and our decisions on these matters are subject to de novo review as provided in this Guide to Benefits or as allowed by law. If you do not agree with our interpretation or determination, you may appeal. See Chapter 6: Resolving Disputes.

No oral statement of any person shall modify or otherwise affect the benefits, limits, and exclusions of this Guide to Benefits, convey or void any coverage, or increase or reduce any benefits under this Agreement.

Chapter 2: Amounts You May Owe

In general, your payment obligation for a service that is covered is a fraction of total costs. This chapter explains the various charges for which you may be responsible.

Copayment

A **Copayment** is an amount you owe for most covered services. A copayment is a fixed dollar amount. Members ages 19 & older may have the same or higher coinsurance amounts per service. Copayment amounts appear in *Chapter 3: Services & Copayments*.

Deductible

The **Deductible** is a set dollar amount that you must pay for covered services each calendar year before reimbursement for dental benefits begin. Only eligible charge amounts are used to satisfy the deductible. For example:

- If your deductible amount is = \$25
- And the total charge is \$25.
- And the eligible charge is \$20.
- The amount applied towards your deductible = \$20

Your deductible is as follows:

- \$25 per covered person

Once each covered person has met their deductible for the calendar year, no further deductible must be met during the rest of the calendar year.

The deductible in this policy applies to all services covered under this plan with the exception of orthodontic services.

Amounts Exceeding Eligible Charge

In certain circumstances, you may owe the difference between the amount billed by your dentist and the **Eligible Charge**. This applies if you choose a *High-Cost Procedure. With *High-Cost Procedures, two treatment options exist, however, one is more cost effective than the other. You have a choice whether to receive the *High-Cost Procedure or the more cost effective one. If you choose the *High-Cost Procedure, you are responsible for the following amounts:

- The copayment of the most cost-effective procedure; and
- Any difference between the amount the dentist bills for the *High-Cost Procedure and the eligible charge for the more cost-effective procedure.
- Resin-based composite filling for posterior teeth is considered a *High-Cost Procedure.
- Porcelain crowns on molar teeth are considered a *High-Cost Procedure.

Amounts Exceeding Calendar Year Maximum

The **Calendar Year Maximum** is the maximum dollar amount we will pay toward covered services during a calendar year. The calendar year maximum under this plan is \$1,000 per person age 19 and older; benefits for members under age 19 do not include a calendar year maximum.

Out of Pocket Maximum

The **Out-of-Pocket Maximum** is the maximum dollar amount you will pay toward covered services during a calendar year. Once the out-of-pocket maximum is met, you are no longer responsible for deductible (if applicable), or copayment amounts unless otherwise noted.

- The out-of-pocket maximum is \$400 per child to \$800 for two or more children.
- The out-of-pocket maximum under this plan is limited to members under age 19.
- Benefits for members age 19 and older do not include an out-of-pocket maximum.
- The out-of-pocket maximum applies to covered services provided by an in-network provider only.

The following amounts do not apply toward meeting the out-of-pocket maximum. You are also responsible for these amounts even after you have met the copayment maximum:

- Payments for services subject to a service limit maximum. See *Amounts Exceeding a Service Limit* addressed later in this chapter.
- The difference between the actual charge and the eligible charge that you pay when you receive services from a nonparticipating provider.
- Payments for non-covered services.
- Covered services provided by a non-participating provider do not apply to the out-of-pocket maximum.

Calendar Year Rollover

A **Rollover** is a portion of your unused calendar year maximum that may be carried over to the next calendar year for future dental services. You may accumulate up to \$350 in a calendar year which will roll over and be added to your calendar year maximum no later than March 15th of the following year, provided the following conditions are met:

- You are a member of the plan on the last day of the calendar year;
- The member is age 19 and older; rollover does not apply to members under age 19 You receive at least one (1) covered service during the calendar year while covered under this plan;
- Total claims paid during the calendar year does not exceed \$500; and
- The sum of the unused calendar year rollover benefits from prior years does not exceed \$1,000.

Here's an example of how the calendar year rollover benefit works.

Calendar Year	One (1)	Two (2)	Three (3)	Four (4)	Five (5)
Calendar Year Maximum	\$1,000	\$1,000	\$1,000	\$1,000	\$1,000
Covered Service Received	Yes	Yes	Yes	Yes	Yes
Total Claims Paid during Calendar Year	\$275	\$880	\$200	\$200	\$400
Calendar Year Rollover (based on prior year qualification)	-	\$350	\$0	\$350	*\$300
Accumulated Rollover Amount	-	\$350	\$350	\$700	\$1,000
Calendar Year Maximum + Accumulated	\$1,000	\$1,350	\$1,350	\$1,700	\$2,000

*Only \$300 can be added before reaching the rollover maximum of \$1,000.

The calendar year rollover can be accumulated from one calendar year to the next, up to \$1,000 unless:

1. Total claims paid during a calendar year exceed \$500, or
2. No claims for covered services are incurred during a calendar year.

If either of the above instances occurs, there will be no additional calendar year rollover for that calendar year.

If total claims paid during any one calendar year exceed the calendar year maximum, the excess amount will be deducted from the rollover amount available for that calendar year. No additional calendar year rollover will be earned for that calendar year and the rollover amount available for the next calendar year will be reduced by the amount deducted for the excess claim amount.

If coverage under this benefit is first provided during a partial calendar year, the calendar year rollover will be calculated as if coverage was provided for a full calendar year. For example:

- Coverage begins 11/1, and
- One covered service claim for \$100 occurs 12/15, and
- The claim is filed and approved prior to 3/1 of the following year, and
- Premiums are paid and up to date; therefore.
- A \$350 calendar year rollover will be available for use in the following year.

To assure accurate calculation of the calendar year rollover, claims should be submitted in a timely manner, as described in *Chapter 5: Filing Claims*.

The following expenses are not included when calculating the total claims paid:

- Deductibles
- Co-payments
- Payments for services subject to a maximum once you reach the maximum.
- Any amount that exceeds eligible charges as described in this chapter.
- Non-covered services
- Orthodontic benefits.

When Your Calendar Year Rollover Benefit Ends

You will lose your right to any Calendar Year Rollover or Accumulated Rollover Amount when you lose eligibility for coverage in your plan. The Accumulated Rollover Amount can be used only while you are enrolled in your plan and while your plan continues to offer the Calendar Year Rollover benefit. This means that if you change from one HMSA dental plan to another HMSA dental plan, or if your plan is terminated, you lose your right to any rollover benefit that has not been used.

Amounts Exceeding a Service Limit

A **Service Limit** restricts a covered service in some way, such as dollar amount, how often you can receive a service, an age restriction, or some other limitation. Service Limits appear in *Chapter 3: Services & Copayments*. If you have reached the calendar year maximum, you are not eligible for additional payment from us, even if you have not reached a specific Service Limit. If you exceed the Service Limit for a specific procedure (e.g., two cleanings) you are not eligible for additional payment from us for that service even if you have not reached the calendar year maximum.

If you were covered by us under a different dental coverage immediately prior to this dental coverage, any limitations related to procedure frequency as described in *Chapter 3: Services & Copayments* will carry forward under this coverage.

Charges for Services Not Covered

You are responsible for 100% of charges for any service that is not covered by your plan. See *Chapter 3: Services & Copayments*.

Waiting Periods

You are responsible for 100% of charges for any service that is subject to a **Waiting Period** if you have not met the waiting period. Most Waiting Periods for this plan are limited to members age 19 and older.

If you were enrolled in a dental plan with us prior to this coverage, you must have had continuous comprehensive dental coverage to satisfy the waiting period criteria for this plan. The following conditions must be met to qualify as continuous comprehensive coverage:

- The prior dental plan must have similar benefit coverage (Preventive, Basic and Major services) to the current plan,
- The prior plan was in effect for 12 contiguous months prior to the effective date of this coverage.

Chapter 3: Services & Copayments

This chapter describes services both covered and not covered and Copayment amounts. In addition to the information provided in this chapter, also read Chapter 1: Critical Concepts and Chapter 2: Amounts You May Owe to better understand your coverage. If you are unsure whether or not a service is covered, please call us and we will assist you.

About This Chapter

Your dental coverage provides benefits for procedures, services and supplies that are listed in the following service tables. You will note that some of the benefits have limitations. These limitations describe additional criteria, circumstances or conditions that are necessary for a procedure, service, or supply to be eligible for covered benefits. Limitations may also describe circumstances or conditions when a procedure, service or supply is Not Covered. In order to identify items excluded from coverage, limitations, and benefits should be read in conjunction with the general exclusions table provided later in this chapter.

Some dental services or procedures including their benefit limitations or coverage exclusions may not be listed in the following service tables. If you are unsure if a specific procedure or service is covered or not covered, please call us at (808) 948-6440 or 1(800) 792-4672 toll-free and we will help you.

Pediatric Dental Requirements

This plan includes pediatric dental coverage, an essential health benefit, as required under the federal ***Patient Protection and Affordability Care Act (PPACA)***.

Non-Assignment

Benefits for covered services described in this guide cannot be transferred or assigned to anyone. Any attempt to assign this coverage or rights to payment will be void.

Services Provided by Non-Participating Providers

Benefits for covered services described in this guide are reduced when services are provided by providers who are not participating in HMSA's provider network.

Service Tables & Service Categories

Information in this chapter is formatted within tables. Each table represents a Service Category and each Service Category groups related services together. For example, all restorative procedures appear in one table. If an entire Service Category is subject to the same Service Limit, the limit appears immediately following the heading for the section category.

Please note: Service Tables, Categories, Limitations and Copayments may differ depending on the member's age at the time the services are performed.

The following categories explain the type of information that appears in each of the three columns of the Service Tables found throughout this chapter.

The **Service Categories** are listed in bold font above the table headings for the service lists, descriptions, service limits and co-payment provisions.

Refer to *Chapter 2: Amount You May Owe* for more detail on waiting periods.

Chapter 4: Eligibility & Enrollment

This chapter provides information about enrollment opportunities, eligibility requirements, and options if your coverage ends.

Who is Eligible

If you purchase this coverage from [Healthcare.gov](https://www.healthcare.gov), you must meet the eligibility criteria used by [Healthcare.gov](https://www.healthcare.gov).

If you purchase this coverage directly from HMSA, you must meet **all** of the following:

- Enroll during an open enrollment period or qualify for a special enrollment period in accordance with federal law.
- You are not incarcerated.
- You meet one of these requirements:
 - You are a resident of the State of Hawaii.
 - You intend to reside in the State of Hawaii; HMSA reserves the right to request documentation verifying that you have moved to and reside in Hawaii. If HMSA determines, in its sole discretion, that such documentation does not verify that you have fulfilled your intent to reside in Hawaii, HMSA may rescind your coverage.
 - You have entered the State of Hawaii with a job commitment.
 - You are seeking employment in the State of Hawaii.
- Your parent or caretaker resides in Hawaii, and you reside with the parent or caretaker. If you meet the above residency standards, you may enroll your **Dependent** who lives outside Hawaii in this plan if you claim that dependent on your tax return.
- You complete, sign, and submit an enrollment form that is accepted by us.

We reserve the right to request, at any time, documentation that demonstrates in our sole discretion and to our satisfaction that you meet the above criteria. Your refusal to provide such documentation or to provide documentation that in HMSA's sole discretion demonstrates the above criteria have been met shall result in immediate termination of this coverage.

Categories of Coverage

There are different categories of coverage you may hold.

- With single coverage, you are the only one covered.
- With family coverage, you, and your spouse and/or eligible dependent children have coverage. Each covered family member must be listed on the member's enrollment form or added later as a new dependent.

Please note: If you buy this coverage directly from HMSA, we must approve any dependents added to this plan. Each dependent will have his or her own effective date when he or she first becomes eligible for this plan's coverage.

Qualified Medical Child Support Orders

Qualified Medical Child Support Orders (QMCSOs) are court orders that meet certain federal guidelines and require a person to provide health benefits coverage for a child. To be a Qualified Medical Child Support Order, the order cannot require a health benefit plan to provide any type or form of payment, or any option, not otherwise provided under the plan, except to the extent necessary to meet the requirements of Section 1908 of the Social Security Act with respect to a plan.

Claims for a child covered by a Qualified Medical Child Support Order may be made by:

- The child; or
- The child's custodial parent or parent; or
- The child's court-appointed guardian.

Any amount otherwise payable to the Member with respect to any such claim shall be payable to the child's custodial parent or court-appointed guardian. If you would like more information about how we handle QMCSOs, call HMSA's Customer Service. Our phone number is listed on the back cover of this guide.

Coverage Activation

This coverage takes effect, and you are eligible to receive benefits on your effective date, provided the following requirements have been met:

- Your initial dues were paid.
- We accepted your enrollment form and provided you written notice of your effective date. By submitting the enrollment form, you also accept and agree to the provisions of our constitution and bylaws now in force and as amended in the future; and
- Your eligibility for coverage under this guide subject to all applicable waiting periods.

Enrollment Opportunities

You may enroll for coverage when you are first eligible, during annual enrollment, or following a qualified event.

First Eligible

You may enroll when you are first eligible according to your Group Sponsor's rules for eligibility. If you do not enroll when you first become eligible or by the first day of the month immediately following the first four consecutive weeks of employment, you will not be able to enroll until the next annual enrollment period. However, if you show us to our satisfaction that there was unusual and justifiable cause, you may have the opportunity to enroll sooner.

Annual Enrollment

You may enroll during the annual enrollment period by naming yourself and your spouse and/or child(ren) on the enrollment form. If you do not sign up during the annual enrollment period, you will not have an opportunity to do so again until the next annual enrollment period. An exception to this rule exists if you have an unusual and justifiable cause. In such cases, you may be eligible to enroll sooner if we accept the cause.

Qualifying Events (Birth, Adoption, Marriage)

You may enroll for coverage within 31 days of a qualifying event. If you do not enroll within 31 days of the event, your next enrollment opportunity will be during the annual enrollment period. Following are examples of qualifying events:

- Birth.
- Adoption. In cases of adoption, we must receive notice of the event within 31 days of adoption placement (the date you assume a legal obligation for total or partial support of the child in anticipation of adoption).
- Marriage.
- Loss of coverage by your spouse under another Plan.

What You Should Know about Enrolling Your Child(ren)

In general, you may enroll a child if the Child meets all of these requirements:

- The child is under 26 years of age.
- The child is your son, daughter, stepson or stepdaughter, your legally adopted child or a child placed with you for adoption, a child for whom you are the court-appointed guardian, or an eligible foster child (defined as an individual who is placed with you by an authorized placement agency or by judgment, decree, or other court order).

In addition, you may enroll children who meet all of the criteria in one of these categories:

- Children with special needs
- Children who are newborns or adopted.

Children who Are Newborns or Adopted

You may enroll a newborn or adopted child, effective as of the date listed below, if you comply with requirements described below and enroll the child in accord with our usual enrollment process:

- The birth date of a newborn providing you comply with our usual enrollment process within 31 days of the child's birth.
- The date of adoption, providing you comply with our usual enrollment process within 31 days of the date of adoption
- The birth date of a newborn adopted child, providing we receive notice of your intent to adopt the newborn within 31 days of the child's birth date.
- The date the child is placed with you for adoption, providing we receive notice of placement when you assume a legal obligation for total or partial support of the child with anticipation of adoption.

Children with Special Needs

You may enroll your child, if he or she is disabled by providing us with written documentation acceptable to us demonstrating that:

- Your child is incapable of self-sustaining support because of a physical or mental disability.
- Your child's disability existed before the child turned 26 years of age.
- Your child relies primarily on you for support and maintenance as a result of his or her disability.
- Your child is enrolled with us under this coverage or another HMSA coverage and has had continuous healthcare coverage with us since before the child's 26th birthday.
- You must provide this documentation to us within 60 days of the child's 26th birthday and subsequently at our request but not more frequently than annually.

Coverage Termination

If you purchased this coverage from [Healthcare.gov](https://www.healthcare.gov), you may end your coverage at any time by notifying [Healthcare.gov](https://www.healthcare.gov).

If you purchased this coverage directly from HMSA, you may terminate your coverage at any time by writing us a letter. Member requests for retroactive termination shall not be granted.

We may end your coverage if you purchased this coverage directly from us, at any time if you do not meet the criteria described in *When You are Eligible for Coverage* above or fail to respond within 30 days to our request that you provide documentation sufficient to demonstrate that you meet the criteria or fail to make payments to us when due.

If your coverage ends, you are not eligible to receive benefits under this coverage after the termination date.

End of Month Termination

Your coverage will end at the end of the month in which any of these take place:

- You choose to end this coverage. In this case, you must provide us written notice of your intent to terminate 30 days before the termination date.
- You fail to make payments to us when due.

Unless prohibited by state or federal law, coverage will terminate at the end of the month in which any of the following takes place:

- We end our **Agreement** with you by providing you written notice 30 days prior to termination.
- For the member, upon termination of this Agreement. If the member's coverage ends, coverage for all other enrolled family members will also end.
- For the member's spouse, upon the dissolution of marriage to the Member. You must inform us, in writing, of the dissolution of the marriage.
- For the member's child, when the child fails to meet the criteria outlined earlier in this chapter under who is eligible. You must inform us, in writing, if a child no longer meets the eligibility requirements. You must notify us on or before the first day of the month following the month the child no longer meets the requirements. For example, if your child turns 19 on June 1; you would need to notify us by July 1. If you fail to inform us that your child is no longer eligible, and we make payments for services on his or her behalf, you must reimburse us for the amount we paid.

Immediate Termination

The following events cause coverage to terminate immediately for the member and any enrolled spouse and children:

- Fraudulent use of coverage or intentional misrepresentation or concealment of material facts on your enrollment form or in any claim for benefits.

If your coverage is terminated for fraud, intentional misrepresentation, or the concealment of material facts:

- We will not pay for any services or supplies provided after the date the coverage ends.
- You agree to reimburse us for any payments we made under this coverage.
- We retain our full legal rights, including but not limited to, the right to initiate a civil action based on fraud, concealment, or misrepresentation.
- Engagement in repeated disruptive or threatening behavior or the infliction of bodily harm to others in the provider's office.

COBRA Continuation

When your coverage ends under this Agreement, you may have the opportunity to continue your Group Sponsor coverage for a limited time under the Consolidated Omnibus Budget Reconciliation Act (COBRA). This Act applies to Group Sponsors with 20 or more employees. If it is determined that you are not eligible for COBRA coverage, you may be eligible for one of our individual Plans. Please call us for more information.

Qualifying Events

COBRA entitles you and your spouse and/or children if already covered, to continue this coverage if coverage is lost due to a qualifying event. Qualifying events include:

- Group or Group Sponsor from whom you retired files bankruptcy under federal law.
- Death of the employee covered under this coverage. If it is determined that the employee's spouse is not eligible for Group Sponsored coverage, the spouse may become a Member under an individual Plan offered by HMSA. In this case, all Dependent Children of such deceased Member may continue to be enrolled as though they Were Dependents of such new Member.
- Divorce or legal separation.
- The child no longer meets our eligibility rules.
- Enrollment in Medicare.
- Termination of employment for reasons other than gross misconduct, or if your work hours are reduced to the point that you are no longer eligible for coverage.
- Dependents covered as domestic partners are not eligible for COBRA coverage.

Requirements for COBRA Continuation of Coverage

Continuation under this provision is subject to you requesting it and paying any required premium within the election period. The qualified covered person must elect to continue coverage under the plan within 60 days of the later of:

- The date the notification of election rights is sent, or
- The date coverage under the plan terminates.

Otherwise, the option to elect COBRA shall end on the date 60 days following the date your coverage terminated under the Plan.

If an employee with dependent coverage requests continuation of coverage under this section, such request shall include dependent coverage, unless the employee asks that it be dropped. In like manner, such a request on the part of the covered spouse of an employee shall include coverage for all dependents of the employee who were covered.

Coverage Continued

The coverage continued for a covered person under this provision shall be the same as provided under the Plan for other covered persons in the same benefit class in which such covered person would have been covered had his coverage not been terminated.

Termination of COBRA Continuation Coverage

- Once in effect, COBRA continuation coverage for a covered person under this section shall terminate on the earliest of the following dates:
- The date on which the Group Sponsor ceases to maintain any Group Sponsored health plan (including successor plans).
- At the end of the last period for which premium contributions for such coverage have been made, if you or other responsible person does not make, when due, the required premium contribution.
- The date the maximum period of COBRA continuation of coverage ends. In the case of qualifying events above, this date shall be the date 18 months after the date of that qualifying event, unless you or any of your dependents is totally disabled at the time of, or within 60 days after, your termination or reduction in hours, in which case this date shall be 29 months after the qualifying event. In all other cases, such date shall be the date 36 months after the date of the qualifying event which applies.
- The date you become eligible under any other similar Group Sponsored health plan or any other federal or state provided health insurance coverage.
- The date the qualified beneficiary becomes eligible for Medicare, Medicaid, or any other federal or state provided health insurance coverage. With respect to a covered employee under a Group Sponsored health plan, a qualified beneficiary means any other individual who, on the day before the qualifying event for that employee, is a beneficiary under the plan as either of the following:
 - o The spouse of the covered employee; or
 - o The Dependent child of the covered employee.

If you lose your coverage under this plan and wish to continue under COBRA, you must do all the following:

1. Contact your Group Sponsor immediately if you think you are eligible for COBRA. If notice is not provided on time, COBRA coverage will not be available to you.
2. You are entitled to receive a COBRA election form within 44 days if the qualifying event is a termination of employment or reduction in hours. If the qualifying event is divorce, legal separation, or a child who no longer meets eligibility requirements, the form and notice must be provided to you within 14 days after you notify your Group Sponsor of the event.
3. You or your spouse is responsible for notifying your group sponsor of your divorce or legal separation, or if a child loses eligibility status under our rules for coverage.
4. If you or your spouse believes you have had a qualifying event and you have not received your COBRA election form on a timely basis, please contact your group sponsor.

Complete and Submit Election Form

You or your dependents must complete and submit an election form to notify your group sponsor of either of the following

1. Coverage for you or your dependents is being continued for 18 months under COBRA and it is determined under Title XVI of the Social Security Act that you or your dependent was disabled on the date of, or within 60 days of, the event which would have caused coverage to terminate. In this case, you or your dependent must notify your group sponsor of such determination. Notice must be provided within 60 days of the determination of disability. Notice must also be given within 30 days of any notice that you or your dependent is no longer disabled.
2. Coverage for a dependent would terminate due to your divorce, a legal separation, or the dependent ceasing to be a dependent under this plan. In this case, you or your dependent must provide notice to your group sponsor of the event. This notice must be given within 60 days after the later of the occurrence of the event or the date coverage would terminate due to the occurrence of the event.

Pay Premium

If you or your dependents are entitled to and elect COBRA continuation coverage, you must pay your group sponsor the premiums for the continuing coverage which may be up to 102% of the full cost of the coverage. In the case of a disabled individual whose coverage is being continued for 29 months, you or your dependents may be required to pay up to 150% of the full cost of the coverage for any month after the 18th month. Within 45 days of the date, you elect COBRA coverage you must pay an initial COBRA premium to cover from the date of your qualifying event to the date of your election. You will be notified of the amount of the premiums you must pay thereafter. If you fail to make the initial payment or any subsequent payment in a timely fashion (a 30-day grace period applies to late subsequent payments), your COBRA coverage will terminate.

Add Child(ren)

If during the period of COBRA coverage, a child is born to you or placed with you for adoption and you are on COBRA because you terminated employment or had a reduction in hours, the child can be covered under COBRA and can have election rights of his or her own. Please be aware that dependent children of domestic partners are not eligible for COBRA continuation coverage.

Explanation of Benefits (EOB)

An Explanation of Benefits (EOB) is a statement that explains how we processed a claim based on the services performed, the actual charge, and any adjustments to the actual charge, our eligible charge, the amount we paid, and the amount you may owe.

Timeframe for Claim Determination

If we receive all the necessary information and can make a claim determination, we will send you an EOB within 30 days of the date we receive your claim. However, if we require additional information to make a decision about your claim or are unable to make a decision due to circumstances beyond our control, we will extend the time for an additional 15 days. We will notify you within the initial 30-day period why we are extending the time and when you can expect our decision. If we require additional information, you will have at least 45 days to provide us the information.

Payment

If applicable, a check will be enclosed with your EOB. Checks must be cashed or deposited before the check's expiration date. A service charge will apply for requests to reissue expired checks. A schedule of the current service charges is available from us upon request.

The following rules apply for any payment by us for services rendered by a nonparticipating dentist:

- Checks are not assignable.
- In our sole discretion, we will make a check payable directly to the dentist, member, member's spouse, or child—or in the case of the member's death, to his or her executor, administrator, provider, spouse, or relative.
- In no event will our payment exceed the amount we would pay to a comparable participating dentist for like services rendered.

Denials

If any of the services included on your claim are denied, the EOB will provide an explanation for the denial. If, for any reason, you believe we wrongly denied a claim or coverage request, please call us for assistance. If you are not satisfied with the information you receive, and you wish to pursue a claim for coverage, you may request an appeal. See *Chapter 6: Resolving Disputes*.

Unless you qualify for expedited external review of our appeal decision you must exhaust HMSA's internal appeals process before requesting external review, or show that HMSA violated federal rules related to claims and appeals unless the violation was 1) de Minimis; 2) non-prejudicial; 3) attributable to good cause or matters beyond HMSA's control; 4) in the context of an ongoing good-faith exchange of information; and 5) not reflective of a pattern or practice of non-compliance.

Your request must be in writing and include:

- A copy of HMSA's final internal appeal decision.

For release of medical records, copies of the authorization form are available from HMSA by calling (808) 948-5090 or toll free at (800) 462-2085. You must send the request to the Insurance Commissioner at:

Hawaii Insurance Division
ATTN: Health Insurance Branch – External Appeals
335 Merchant Street, Room 213
Honolulu, HI 96813
Telephone: (808) 586-2804

You will be informed by the Insurance Commissioner within 14 business days if your request is eligible for external review by an IRO.

You may submit additional information to the IRO. It must be received by the IRO within 5 business days of your receipt of notice that your request is eligible. Information received after that date will be considered at the discretion of the IRO.

The IRO will issue a decision within 45 calendar days of the IRO's receipt of your request for review.

The IRO decision is final and binding except to the extent HMSA or You have other remedies available under applicable federal or state law.

Expedited IRO Review

You may request expedited IRO review if:

- The timeframe for completion of an expedited internal appeal would seriously jeopardize the enrollee's life, health, or ability to gain maximum functioning or would subject the enrollee to severe pain that cannot be adequately managed without the care or treatment that is the subject of the adverse determination and You have requested expedited internal appeal at the same time;
- The timeframe for completion of a standard external review would seriously jeopardize the enrollee's ability to gain maximum functioning, or would subject the enrollee to severe pain that cannot be adequately managed without the care or treatment that is the subject of the adverse determination; or
- The final adverse determination concerns an admission, availability of care, continued stay, or health care service for which the enrollee received emergency services; provided that the enrollee has not been discharged from a facility for health care services related to the emergency services.

Expedited IRO review is not available if the treatment or supply has been provided.

The IRO will issue a decision as expeditiously as your condition requires but in no event more than 72 hours after the IRO's receipt of your request for review.

External Review of Decisions Regarding Experimental or Investigational Services

You may request IRO review of an HMSA determination that the supply or service is experimental or investigational.

Your request may be oral if your treating dentist certifies, in writing, that the treatment or supply would be significantly less effective if not promptly started.

Written requests for review must include, and oral requests must be promptly followed up with, the same documents described above for standard IRO review plus a certification from your physician that provides the following:

- Standard health care services or treatments have not been effective in improving your condition.
- Standard health care services or treatments are not medically appropriate for you; or
- There is no available standard health care service or treatment covered by your plan that is more beneficial than the health care service or treatment that is the subject of the adverse action.

Your treating dentist must certify in writing that the service recommended is likely to be more beneficial to you, in the dentist's opinion, than any available standard health care service or treatment, or your licensed, board certified or board eligible physician must certify in writing that scientifically valid studies using accepted protocols demonstrate the service that is the subject of the external review is likely to be more beneficial to you than any available standard health care services or treatment.

The IRO will issue a decision as expeditiously as your condition requires but in no event more than 7 calendar days from the IRO's receipt of your request for review.

Arbitration

If you choose arbitration with your employer or group sponsor, you must submit a written request for arbitration to the address shown at the beginning of this chapter. Your request for arbitration will not affect your rights to any other benefits under this plan. You must have fully complied with HMSA's appeals procedures described above and we must receive your request for arbitration within one year of the decision rendered on appeal. In arbitration, one person (the arbitrator) reviews the positions of both parties and makes the final decision to resolve the issue. No other parties may be joined in the arbitration. The arbitration is binding, and the parties waive their right to a court trial and jury.

Before the start of arbitration, both parties (you and with your employer or group sponsor) must agree on the designation of the arbitrator. If with your employer or group sponsor both cannot agree within 30 days of your request for arbitration, either party may ask the First Circuit Court of the State of Hawaii to appoint an arbitrator.

The arbitration hearing shall be in Hawaii. The arbitration shall be conducted in accord with the Hawaii Uniform Arbitration Act, HRS Chapter 658A, the rules of Dispute Prevention and Resolution, Inc., to the extent not inconsistent with this Chapter 6: Resolving Disputes and such other arbitration rules as both parties agree upon. The arbitrator may hear and determine motions for summary disposition pursuant to HRS §658A-15(b). The arbitrator shall also hear and determine any challenges to the arbitration Agreement and any disputes regarding whether a controversy is subject to an Agreement to arbitrate. In order to make the arbitration hearing fair, expeditious and cost-effective, discovery by both parties shall be limited to requests for production of documents material to the claims or defenses in the arbitration. Limited depositions for use as evidence at the arbitration hearing may occur as authorized by HRS §658A-17(b).

The arbitrator will make a decision as quickly as possible and will give both parties a copy of this decision. The decision of the arbitrator is final and binding. No further appeal or court action can be taken except as provided under the Hawaii Uniform Arbitration Act. Your employer or group sponsor will pay the arbitrator's fee. You must pay your attorney's or witness's fees, if you have any, and with your employer or group sponsor must pay theirs. The arbitrator will decide who will pay all other costs of the arbitration.

Your employer or group sponsor waives any right to assert that you have failed to exhaust administrative remedies because you did not select arbitration.

If You are Enrolled in a Self-Funded Group Plan and you wish to contest our Appeal Decision

If you are enrolled in a self-funded group sponsored plan, you are not eligible for review by an IRO selected by the Insurance Commissioner. You must either

- Request review by an IRO randomly selected by HMSA if you are appealing an issue of medical necessity, appropriateness, health care setting, level of care, or effectiveness, or a determination by HMSA that the service or treatment is experimental or investigational.
- Request arbitration as described above with your employer or group sponsor
- File a lawsuit against your employer or group sponsor under section 502(a) of ERISA unless your plan is one of the two bulleted types provided below, in which case you must select arbitration.
 - o A church plan defined in 29 U.S.C. § 1002 (33) and no selection has been made in accord with 26 U.S.C. § 410(d); or
 - o A governmental plan as defined in 29 U.S.C. § 1002(32).

If you choose review by an IRO, you must submit your request in writing to HMSA within 130 days of HMSA's appeal decision to deny or limit the service or supply at:

HMSA Dental Customer Service
P.O. Box 69437
Harrisburg, PA 17106-9437

Within 6 business days following the date of receipt of your request, we will notify you in writing that your appeal is eligible for external review.

We will assign an IRO to review your appeal. The IRO will inform you of its decision within 45 days after the IRO received the assignment from us.

Chapter 7: Other Party Responsibility

There may be situations when another party is responsible for a portion or the entire cost of your services. This chapter explains those circumstances.

When You have More than One Dental Plan

You may have other dental insurance coverage that provides coverage that is the same or similar to this plan. If you have such coverage, we will coordinate with the other coverage(s) to determine payment under this plan. Other coverage includes group sponsored insurance, non-group sponsored insurance, other group benefit plans, Medicare or other governmental benefits, and the dental benefits coverage in your automobile insurance (whether issued on a fault or no-fault basis).

Should you have more than one dental plan, to ensure accurate and timely coordination of benefits, you must follow the instructions outlined here.

Notice to Us

Inform us of your other dental coverage (also let us know if your other coverage ends or changes). If we need additional information, you will receive a letter from us. If you do not provide us with the information, we need to coordinate your benefits, your claims may be delayed or denied.

Indicate that you have other dental coverage when you fill out a claim form by completing the appropriate boxes on the form. If your dentist is filing the claim on your behalf, make sure your dentist knows to inform us.

Notice to Your Provider

Inform your provider by giving him or her information about the other dental coverage at the time services are rendered.

How Much We Pay

You may have other insurance coverage that provides benefits which are the same or similar to this plan.

When this plan is primary, its benefits are determined before those of any other plan and without considering any other plan's benefits. When this plan is secondary, its benefits are determined after those of another plan and may be reduced when the combination of the primary plan's payment and this plan's payment exceed the eligible charge. As the secondary plan, this plan's payment will not exceed the amount this plan would have paid if it had been your only coverage. Additionally, when this plan is secondary, benefits will be paid only for those services or supplies covered under this plan.

If there is an applicable benefit maximum under this plan, the service or supply for which payment is made by either the primary or the secondary plan shall count toward that benefit maximum. For example, this plan covers one set of bitewing x-rays per calendar year, if this plan is secondary and your primary plan covers one set of bitewing x-rays per calendar year, the x-rays for one set of bitewings covered under the primary plan will count toward the yearly benefit maximum and this plan will not provide benefits for a second set of bitewing x-rays within the calendar year.

General Coordination of Benefit Rules

There are certain rules we follow to help us determine which plan pays first when there is other insurance or coverage that provides the same or similar coverage as this plan. A comprehensive listing of our coordination of benefits rules is available upon request. The following are four common coordination rules:

- The coverage without coordination of benefits rules pays first.
- The coverage you have as an employee pays before the coverage you have as a spouse or dependent child.
- The coverage you have as the result of your active employment pays before coverage you hold as a retiree or under which you are not actively employed.
- When none of the general coordination rules apply (including those not described above), the coverage with the earliest continuous effective date pays first.

Dependent Child Coordination of Benefit Rules

The following are coordination rules that apply to Dependent children (note that if none of the following rules apply, the parent's coverage with the earliest continuous Effective Date pays first):

- For a child who is covered by both parents who are not separated or divorced and have joint custody, the coverage of the parent whose birthday occurs first in a calendar year pays first.
- For a child who is covered by separated or divorced parents and a court decree provides which parent has health insurance responsibility, the appointed parent's coverage pays first.
- For a child who is covered by separated or divorced parents and a court decree does not stipulate which parent has health insurance responsibility, and then the coverage of the parent with custody pays first. The payment order for this Dependent child is as follows:

- | | |
|-------------------------------|---|
| 1. Custodial parent | 3. Other non-custodial parent |
| 2. Spouse of custodial parent | 4. Spouse of other non-custodial parent |

Automobile Accidents

If your injuries or illness are due to a motor vehicle accident or other event for which we believe motor vehicle insurance coverage reasonably appears available under Hawaii Revised Statutes Chapter 431, Article 10C, or any other motor vehicle insurance coverage, then that motor vehicle coverage will pay before this coverage. You are responsible for any cost sharing payments required under such motor vehicle insurance coverage. We do not cover such cost sharing payments. Payment under this coverage for an injury covered by motor vehicle insurance is subject to the rules set forth below.

You must provide us a list of expenses paid by the motor vehicle insurance. The list must show the date expenses were incurred, the provider of service, and the amount paid by motor vehicle insurance. We cannot process a claim without this information.

Guidelines

Once you submit a list of expenses to Us, We will review the list of expenses to verify that the motor vehicle insurance coverage available under Hawaii Revised Statutes Chapter 431, Article 10C, or any other motor vehicle insurance, is exhausted. Upon Our verification of exhaustion, you are eligible for covered services in accord with this guide.

Worker's Compensation or Motor Vehicle Insurance

If you have dental coverage under Worker's Compensation or motor vehicle insurance for illness or injury, please note the following:

- If you have or may have coverage under Worker's Compensation insurance, such coverage will apply instead of the coverage under this guide. Dental expenses arising from illness or injury covered under Worker's Compensation insurance are excluded from coverage under this guide.
- If you are or may be entitled to dental benefits from your automobile coverage, you must exhaust those benefits first, before receiving benefits from us.

Third Party Liability

Third party liability grants us the right to be reimbursed if you are injured or become ill and either of the following is true:

- The illness or injury is caused or alleged to have been caused by someone else and you have or may have a right to recover damages or receive payment in connection with the illness or injury.
- You have or may have a right to recover damages or receive payment without regard to fault.

Your cooperation is necessary for us to determine our liability for coverage and to protect our rights to recover our payments. We will provide benefits in connection with the illness or injury in accordance with the terms of this guide if you cooperate with us by following the rules set forth below. If you do not cooperate with Us, Your claims may be delayed or denied, and we shall be entitled to reimbursement of payments made on your behalf to the extent that your failure to cooperate has resulted in erroneous payments of benefits or has prejudiced our rights to recover payments.

1. **Timely Notice and Proof Requirements**

You must give us timely notice in writing if any of the following are true:

- You have any knowledge of any potential claim against any third party or other source of recovery in connection with the illness or injury.
 - There is any written claim or demand (including legal proceeding) against any third party or against other source of recovery in connection with the illness or injury.
 - There is any recovery of damages (including any settlement, judgment, award, insurance proceeds, or other payment) against any third party or other source of recovery in connection with the illness or injury. To give timely notice, your notice must be no later than 30 calendar days after the occurrence of each of the events stated above.
2. You must promptly sign and deliver to Us all liens, assignments, and other documents we deem necessary to secure our rights to recover payments, and you hereby authorize and direct any person or entity making or receiving any payment on account of such illness or injury to pay to us so much of such payment as necessary to discharge Your reimbursement obligations described above.
3. You must promptly provide us any and all information reasonably related to our investigation of our liability for coverage and our determination of our rights to recover payments. We may ask you to complete an Injury/Illness report form and provide us dental records and other relevant information.
4. You must not release, extinguish, or otherwise impair our rights to recover our payments, without our express written consent.
5. You must cooperate in protecting our rights under these rules. This includes giving notice of our lien as part of any written claim or demand made against any third party or other source of recovery in connection with the illness or injury.
6. **Notice Required.**

Any written notice required by these rules must be sent to:

HMSA Dental
Attn: Third Party Liability
P.O. Box 1320
Honolulu, Hawaii 96807-1320

Our Rights

If you have complied with the rules set forth in the Third-Party Liability section, we will pay benefits in connection with the illness or injury to the extent that the treatment would otherwise be a covered benefit payable under this guide. However, we shall have a right to be reimbursed for any benefits we provide from any recovery received from or on behalf of any third party or other source of recovery in connection with the illness or injury, including, but not limited to, proceeds from any of the following:

- Settlement, judgment, or award
- Motor vehicle insurance including liability insurance or your underinsured or uninsured motorist coverage.
- Workplace liability insurance
- Property and casualty insurance
- Dental malpractice coverage
- Other insurance

We shall have a first lien on such recovery proceeds, up to the amount of total benefits we pay or have paid related to the illness or injury. You must reimburse us for any benefits paid, even if the recovery proceeds obtained (by settlement, judgment, award, insurance proceeds, or other payment) do not specifically include dental expenses or are:

- Stated to be for general damages only;
- For less than the actual loss or alleged loss suffered by you due to the illness or injury.
- Obtained on Your behalf by any person or entity, including Your estate, legal representative, parent, or attorney.
- Without any admission of liability, fault, or causation by the third party or payer.

Our lien will attach to and follow such recovery proceeds even if you distribute or allow the proceeds to be distributed to another person or entity. Our lien may be filed with the court, any third party or other source of recovery money, or any entity or person receiving payment regarding the illness or injury.

If we are entitled to reimbursement of payments made on your behalf under these rules, and we do not promptly receive full reimbursement pursuant to our request, we shall have a right of set-off from any future payments payable on your behalf under this guide.

To the extent that we are not reimbursed for the total we pay or have paid related to your illness or injury, we have a right of subrogation (substituting us to your rights of recovery) for all causes of action and all rights of recovery you have against any third party or other source of recovery in connection with the illness or injury.

Our rights of reimbursement, lien, and subrogation described above, are in addition to all other rights of equitable subrogation, constructive trust, equitable lien and/or statutory lien we may have for reimbursement of these payments, all of which rights are preserved and may be pursued at our option against you or any other appropriate person or entity.

For any payment made by us under these rules, you are still responsible for your copayments, deductibles, timeliness in submission of claims, and other obligations under this guide.

Nothing in this Third-Party Liability section shall limit our ability to coordinate benefits as described elsewhere in this chapter.

Chapter 8: General Provisions

This chapter provides general provisions applicable to your plan.

This plan includes pediatric dental coverage, an *essential health benefit*, as required under the federal *Patient Protection and Affordability Care Act (PPACA)*.

Premiums

You or your group sponsor must pay premiums to us on or before the first day of the month in which coverage under this plan is to be provided. We have the right to change the monthly premium following 30 days written notice to your group sponsor.

In the event you or your group sponsor fail to pay monthly premiums on or before the due date, we may terminate coverage, unless all premiums are brought current within ten (10) days of our providing written notice of default to your group sponsor and the state of Hawaii Department of Labor and Industrial Relations. We are not liable for benefits for services received after the termination date. This includes benefits for services you receive if you are enrolled in this coverage under either of the following provisions:

- The Consolidated Omnibus Budget Reconciliation Act (COBRA).
- The Uniformed Services Employment and Reemployment Rights Act (USERRA).

Coverage Terms

By submitting the enrollment form, you accept and agree to the provisions of our constitution and bylaws now in force and as amended in the future.

Authority to Terminate, Amend, or Modify

We have the authority to amend, modify or terminate the Agreement provided that we give you 30 days prior written notice regarding the change.

Right to Interpret

We will interpret the provisions of the Agreement and will determine all questions that arise under it. We have the administrative discretion to do all of the following:

- Determine whether you meet our written eligibility requirements.
- Determine the amount and type of benefits payable to you or your dependents according to the terms of this Agreement.
- Interpret the provisions of this agreement as is necessary to determine benefits, including determinations of dental necessity.

Our determinations and interpretations, and our decisions on these matters are subject to de novo review by an impartial reviewer as provided in this guide or as allowed by law. If you disagree with our interpretation or determination, you may appeal. See *Chapter 6: Resolving Disputes*.

No oral statement or verbal representations of any person shall modify or otherwise affect the benefits, limitations, and exclusions of this guide, convey, or void any coverage, or increase or reduce any benefits under this Agreement.

Confidential Information

Your dental records and information about your care is confidential. We do not use or disclose your dental information except as permitted or required by law. You may be required to provide information to us about your dental treatment or condition. In accordance with law, we may use or disclose your dental information (including providing this information to third parties) for the purposes of payment activities and health care operations such as quality assurance, disease management, provider credentialing, administering the plan, complying with government requirements, and research or education.

Governing Law

To the extent not superseded by the laws of the United States, this coverage will be construed in accord with and governed by the laws of the State of Hawaii. Any action brought because of a claim against this coverage will be litigated in the state or federal courts located in the State of Hawaii and in no other.

Relationship Between Parties

Participating dentists are not agents or employees of ours, nor are we (or any of our employees) an employee or agent of any participating dentists. We are not an insurer against nor liable for the negligence or other wrongful act or omission of any participating dentists or his or her employee or other person or for any act or omission of anyone covered by this plan.

Circumstances Beyond Our Control

In the event of a major disaster, epidemic, war, insurrection, or other circumstances beyond our control, we will make a good faith effort to provide or arrange for covered services. However, we will not be responsible for any delay or failure in providing services due to lack available facilities or personnel.

Notice Address

Any written notice to us required by this guide should be sent to:

HMSA Dental
P.O. Box 1320
Honolulu, Hawaii 96807-1320

Any notice from us to you will be acceptable when addressed to you at your address as it appears in our records.

Medicaid Enrollment

Notwithstanding anything contained herein, any payment hereunder shall be made in accordance with any assignment of rights made by or on behalf of you as required by Medicaid or any other State Plan for dental assistance approved under Title XIX of the Social Security Act. Payments for benefits under this plan will be made in accordance with any State Law which provides for acquisition.

Medicaid is a form of public assistance sponsored jointly by the federal and state governments providing dental assistance for eligible persons whose income falls below a certain level. The Hawaii Department of Human Services pursuant to Title XIX of the federal Social Security Act administers this program.

ERISA Rights

The Employee Retirement Income Security Act of 1974 (ERISA) provides that you will be entitled to do all of the following:

- Examine all Plan documents and copies of documents (such as annual reports) filed by the Plan with the United States Department of Labor. You may examine these documents without charge at the Plan administrator's office or at specified locations.
- Obtain copies of Plan documents from the Plan administrator upon written request. The plan administrator may request a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report if your group sponsor has 100 or more participants in your Plan. The Plan administrator is required by law to furnish you with a copy of this summary annual report.

In addition to creating rights for you and other participants, ERISA imposes duties upon the people responsible for the operation of your employee benefit Plan. The people responsible are called fiduciaries of the Plan. Fiduciaries have a duty to operate your employee benefit Plan prudently and in the interest of you and your family Members. HMSA and the Plan administrator (your group sponsor) are fiduciaries under this Agreement; however, HMSA's duties are limited to those described in this Agreement, and the Plan administrator is responsible for all other duties under ERISA. No one, including your group sponsor, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a covered benefit or exercising your rights under ERISA. If your claim for a covered benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to request an appeal and reconsideration of your claim. Under ERISA, there are steps you can take to enforce the above rights.

For instance, if you request plan documents from the plan administrator and do not receive it within 30 days, a federal court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the document, unless the document was not sent because of matters reasonably beyond the control of the Plan administrator.

If you have a claim for benefits that is denied or ignored (in whole or in part), you may file suit in state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person or entity you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous. If you have any questions about your Plan, you should contact the Plan administrator, i.e., your group sponsor. If you have questions about this statement or about your rights under ERISA, you should contact the nearest Area Office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, D.C. 20010.

- C. Known to be effective in improving dental health outcomes; provided that:
 - 1. Effectiveness is determined first by scientific evidence.

 - 3. If no professional standards of care exists or if they exist but are outdated or contradictory, then by expert opinion, and
- D. Cost-effective for the dental condition being treated compared to alternative dental interventions, including no intervention. For purposes of this paragraph, cost-effective shall not necessarily mean the lowest price.

Services that are not known to be effective in improving dental health outcomes include, but are not limited to, services that are experimental or investigational.

Definitions of terms and additional information regarding enrollment form of this Payment Determination Criteria are contained in the Patient's Bill of Rights and Responsibilities, Hawaii Revised Statutes § 432E-1.4. The current language of this statutory provision will be provided upon request. Request should be submitted to HMSA's Customer Service Department.

The fact that a Dentist or other provider may prescribe, order, recommend, or approve a service or supply does not in itself mean that the service or supply meets Payment Determination Criteria, even if it is listed as a covered service.

Participating providers may not bill or collect charges for services or supplies that do not meet HMSA's Payment Determination Criteria unless a written acknowledgement of financial responsibility, specific to the service, is obtained from you or your legal representative prior to the time services are rendered.

Participating providers may, however, bill you for services or supplies that are excluded from coverage without obtaining a written acknowledgement of financial responsibility from you or your representative. More than one procedure, service, or supply may be appropriate for the diagnosis and treatment of your condition. In that case, we reserve the right to approve only the least costly treatment, service, or supply.

You may ask your physician to contact us to determine whether the services you need meets our payment determination criteria or are excluded from coverage before you receive the care.
