Benefit Summary

HMSA Dental PPO Silver

Go ahead and smile – you can afford to

The HMSA Dental PPO Silver plan for adults and children offers many valuable benefits that take care of your teeth and gums and can help improve your overall health. You don't need to fill out claim forms when you visit a participating dentist, and you don't need a referral to see a specialist.

Our participating dentists meet the comprehensive standards of the National Committee for Quality Assurance (NCQA). HMSA is the only Hawaii insurer to credential dentists to NCQA standards.

A large PPO dental network

Our PPO dental plans offer a range of benefits and access to a large network[1] that includes over 90% of dentists in Hawaii and more than 100,000 participating providers nationwide. You'll save more on dental services when you see a participating dentist.

Oral Health for Total Health

If you have a qualifying medical condition,[2] the Oral Health for Total Health℠ program gives you additional benefits at no cost that can help improve your overall health. These services are covered 100% when you see a participating provider. We make it easy to participate in this program – if you have medical and dental plans with HMSA, we'll enroll you automatically.

Your dental benefit dollars can add up

Calendar Year Rollover

Your benefits go further with Calendar Year Rollover,[3] which lets you save a portion of unused benefit dollars to use in future years. Over time, you can reach up to $2,000 in calendar-year benefits compared with the standard $1,000 plan maximum. There are no fees and no paperwork to complete, and rollover dollars do not expire.
