Introduction

This document is called the *List of Covered Drugs* (also known as the *Drug List*). It tells you which drugs and over-the-counter (OTC) drugs and non-drug products and items are covered by HMSA. The *Drug List* also tells you if there are any special rules or restrictions on any drugs covered by HMSA. Key terms and their definitions appear in the last chapter of the *Evidence of Coverage*.

Table of Contents

A. Disclaimers	ii
Non-discrimination Notice and Notice of Availability	iii
B. Frequently Asked Questions (FAQ)	vi
B1. What drugs are on the List of Covered Drugs? (We call the <i>List of Covered Drugs</i> the <i>Drug List</i> for short.).....	vi
B2. Does the <i>Drug List</i> ever change?	vi
B3. What happens when there's a change to the <i>Drug List</i> ?	vi
B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?	vii
B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?	viii
B6. What happens if HMSA changes their rules about how they cover some drugs (for example, prior authorization, quantity limits, and/or step therapy restrictions)?	viii
B7. How can I find a drug on the <i>Drug List</i> ?	viii
B8. What if the drug I want to take isn't on the <i>Drug List</i> ?.....	viii
B9. What if I am a new HMSA member and can't find my drug on the <i>Drug List</i> or have a problem getting my drug?	viii
B10. Can I ask for an exception to cover my drug?.....	ix
B11. How can I ask for an exception?	x
B12. How long does it take to get an exception?	x
B13. What are generic drugs?	x
B14. What are original biological products and how are they related to biosimilars?.....	x
B15. What are OTC drugs?.....	x
B16. Does HMSA cover non-drug OTC products?.....	x
B17. Does HMSA cover long-term supplies of prescriptions?	xi
B18. Can I get prescriptions delivered to my home from my local pharmacy?.....	xi
B19. What's my copay?	xi
C. Overview of the <i>List of Covered Drugs</i>	xii
C1. List of Drugs by Medical Condition.....	xiii
D. Index of Covered Drugs	xiv
2026 List of Covered Drugs for Dual Care Supplemental Medicaid Formulary.....	xv
Abbreviations used in this formulary.....	xvi
Drug coverage information	xvi

A. Disclaimers

This is a list of drugs that members can get in HMSA Akamai Advantage® Dual Care (PPO D-SNP).

HMSA Akamai Advantage® Dual Care is a PPO D-SNP plan with a Medicare contract and a contract with the Hawaii Medicaid Program. Enrollment in HMSA Akamai Advantage Dual Care depends on contract renewal. The formulary may change at any time. You will receive notice when necessary.

- You can always check HMSA's up-to-date List of Covered Drugs online at hmsa.com/advantage or by calling the numbers listed at the bottom of this page. This call is free.
- You can get this document for free in other formats, such as large print, braille, or audio. Call Customer Relations at the numbers listed at the bottom of this page. This call is free.
- This document is available for free in Ilocano, Vietnamese, Chinese, and Korean.
- Your request for this document in an accessible format or language may be applied on a standing basis unless you request otherwise.

CVS Caremark® is an independent company providing pharmacy benefit management services on behalf of HMSA.

If you have questions, please call HMSA at (808) 948-6000 or 1 (800) 660-4672 toll-free. TTY users, call 711, 7:45 a.m. to 8 p.m., seven days a week. The call is free. For more information, visit hmsa.com/advantage.

Last updated: 10/01/2025

Discrimination is against the law

HMSA complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex (consistent with the scope of sex discrimination described at 45 CFR § 92.101(a)(2)). HMSA does not exclude people or treat them less favorably because of race, color, national origin, age, disability, or sex.

Services HMSA provides

HMSA offers the following services to support people with disabilities and those whose primary language is not English. There is no cost to you.

- Qualified sign language interpreters are available for people who are deaf or hard of hearing.
- Large print, audio, braille, or other electronic formats of written information is available for people who are blind or have low vision.
- Language assistance services are available for those who have trouble with speaking or reading in English. This includes:
 - Qualified interpreters.
 - Information written in other languages.

If you need modifications, appropriate auxiliary aids and services, or language assistance services, please call 1 (800) 776-4672. TTY users, call 711.

How to file a grievance or complaint

If you believe HMSA has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with:

- Phone: 1 (800) 462-2085
- TTY: 711
- Email: appeals@hmsa.com
- Fax: (808) 952-7546
- Mail: HMSA Member Advocacy and Appeals
P.O. Box 1958
Honolulu, HI 96805-1958

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone:

U.S. Department of Health and Human Services
200 Independence Avenue, SW
Room 509F, HHH Building
Washington, D.C. 20201

1 (800) 368-1019, 1 (800) 537-7697 (TDD)

Complaint forms are available at <https://www.hhs.gov/ocr/office/file/index.html>.

This notice is available at HMSA's website: <https://hmsa.com/non-discrimination-notice/>.

B. Frequently Asked Questions (FAQ)

Find answers here to questions you have about this *List of Covered Drugs (Drug List)*. You can read all of the FAQ to learn more or look for a question and answer.

B1. What drugs are on the List of Covered Drugs? (We call the *List of Covered Drugs* the *Drug List* for short.)

The drugs on the *Drug List* that starts in section C1 are the drugs covered by HMSA. The drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as "network pharmacies."

- HMSA will cover all medically necessary drugs on the *Drug List* if:
 - your doctor or other prescriber says you need them to get better or stay healthy,
 - HMSA agrees that the drug is medically necessary for you, and
 - you fill the prescription at a HMSA network pharmacy.
- In some cases, you have to do something before you can get a drug. Refer to question B4 for more information.

You can also find an up-to-date list of drugs that we cover on our website at hmsa.com/advantage or call Customer Relations at the numbers listed at the bottom of this page.

B2. Does the *Drug List* ever change?

Yes, and HMSA must follow Medicare and Medicaid rules when making changes. We may add or remove drugs on the *Drug List* during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from HMSA before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).

- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we'll cover another drug.)

For more information on these drug rules, refer to question B4.

If you're taking a drug that was covered at the beginning of the year, we'll generally not remove or change coverage of that drug during the rest of the year unless:

- a new, cheaper drug comes on the market that works as well as a drug on the *Drug List* now, or
- we learn that a drug isn't safe, or
- a drug is removed from the market.

Questions B3 and B6 below have more information on what happens when the *Drug List* changes.

- You can always check HMSA's up-to-date *Drug List* online at hmsa.com/advantage. Updates to the *Drug List* are posted on the website monthly.
- You can also call Customer Relations at the numbers listed at the bottom of this page to check the current *Drug List*.

B3. What happens when there's a change to the *Drug List*?

Some changes to the *Drug List* will happen **immediately**. For example:

- Substitutions of certain new versions of drugs. We may immediately remove the drugs from the *Drug List* if we replace them with certain new versions of that drug, but your cost for the new drug will remain \$0. When we add a new version of a drug, we may also decide to keep the brand name drug or original biological product on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.

If you have questions, please call HMSA at (808) 948-6000 or 1 (800) 660-4672 toll-free. TTY users, call 711, 7:45 a.m. to 8 p.m., seven days a week. The call is free. For more information, visit hmsa.com/advantage.

Last updated: 10/01/2025

- We can make these changes only if the drug we're adding:
 - is a new generic version of a brand name drug, or
 - is a certain new biosimilar version of original biological products on the *Drug List* (for example, adding an interchangeable biosimilar that can be substituted for an original biological product without a new prescription).
 - Some of these drug types may be new to you. For more information, refer to Section B14.
- You or your provider can ask for an exception from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to questions B10-B12 for more information on exceptions.
- **Remove unsafe drugs and other drugs that are taken off the market.** Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off the *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. Please contact your prescriber for more information or your doctor for medical advice.

We may make other changes that affect the drugs you take. We'll tell you in advance about these other changes to the *Drug List*. These changes might happen if:

- the FDA provides new guidance or there are new clinical guidelines about a drug.
- we remove a brand name drug from the *Drug List* when adding a generic drug that isn't new to the market, or
- we remove an original biological product when adding a biosimilar, or
- we change the coverage rules or limits for the brand name drug.

When these changes happen, we'll:

- tell you at least 30 days before we make the change to the *Drug List* or
- let you know and give you a 60-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- if there's a similar drug on the *Drug List* you can take instead or
- whether to ask for an exception from these changes. To learn more about exceptions, refer to questions B10-B12.

B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior authorization:** For some drugs, you or your doctor or other prescriber must get authorization from HMSCA before you fill your prescription. Prior authorization is different from a referral. HMSCA may not cover the drug if you don't get prior authorization.
- **Quantity limits:** Sometimes HMSCA limits the amount of a drug you can get.
- **Step therapy:** Sometimes HMSCA requires you to do step therapy. This means you'll have to try drugs in a certain order for your medical condition. You might have to try one drug before we'll cover another drug. If your prescriber thinks the first drug doesn't work for you, then we'll cover the second.

You can find out if your drug has any additional requirements or limits by looking in the tables in section C1. You can also get more information by visiting our website at hmsa.com/advantage. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy.

You can ask for an exception from these limits. This will give you time to talk to your doctor or other prescriber. They can help you decide if there's a similar drug on the *Drug List* you can take instead or whether to ask for an exception. Refer to questions B10-B12 for more information about exceptions.

B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?

The table in the “List of Drugs by Medical Condition” has a column labeled “Requirements/Limits.”

B6. What happens if HMSA changes their rules about how they cover some drugs (for example, prior authorization, quantity limits, and/or step therapy restrictions)?

In some cases, we’ll tell you in advance if we add or change prior authorization, quantity limits, and/or step therapy restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the *Drug List* change.

B7. How can I find a drug on the Drug List?

There are two ways to find a drug:

- you can search alphabetically, **or**
- you can search by Medical Condition.

To search **alphabetically**, look for your drug in the Index of Covered Drugs section. You can find it in Section D of this document. The Index of Covered Drugs is an alphabetical list of all of the drugs included in the *Drug List*. Brand name drugs and generic drugs are listed in the index.

To search by medical condition, find section C1 labeled “List of Drugs by Medical Condition.” The drugs in this section are grouped into categories depending on the type of medical conditions they’re used to treat. For example, if you have a heart condition, you should look in “Cardiovascular.” That’s where you’ll find drugs that treat heart conditions.

B8. What if the drug I want to take isn’t on the Drug List?

If you don’t find your drug on the *Drug List*, call Customer Relations at the numbers listed at the bottom of this page and ask about it. If you learn

that HMSA won’t cover the drug, you can do one of these things:

- Ask Customer Relations for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. They can prescribe a drug on the *Drug List* that’s like the one you want to take. **Or**
- Ask HMSA to make an exception to cover your drug. Refer to questions B10-B12 for more information about exceptions.

B9. What if I am a new HMSA member and can’t find my drug on the Drug List or have a problem getting my drug?

We can help. We may cover a temporary 30-day supply of your drug during the first 90 days you’re a member of HMSA Akamai Advantage Dual Care. This will give you time to talk to your doctor or other prescriber. They can help you decide if there’s a similar drug on the *Drug List* you can take instead or whether to ask for an exception.

If your prescription is written for fewer days, we’ll allow multiple refills to provide up to a maximum of 30 days of medication.

We’ll cover a 30-day supply of your drug if:

- you’re taking a drug that isn’t on our *Drug List*, **or**
- our plan rules don’t let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by HMSA, **or**
- you’re taking a drug that’s part of a step therapy restriction.

If you’re in a nursing home or other long-term care facility and need a drug that isn’t on the *Drug List* or if you can’t easily get the drug you need, we can help. If you’ve been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

We’ll cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you’re a new HMSA Akamai Advantage Dual Care member.

This is in addition to the temporary supply during the first 90 days you're a member of HMSA Akamai Advantage Dual Care.

Transition policy

New members in our Plan may be taking drugs that aren't on our Formulary (*Drug List*) or that are subject to certain restrictions, such as prior authorization. Current members may also be affected by changes in our *Drug List* from one year to the next.

Members should talk to their doctors to decide if they should switch to a different drug that we cover or request a formulary exception in order to get coverage for the drug. See the section, "How can I ask for an exception?" to learn more about how to request an exception. Please contact Customer Relations if your drug is not on our *Drug List* or is subject to certain restrictions such as prior authorization, and you need to switch to a different drug that we cover or request a *Drug List* exception.

During the period of time members are talking to their doctors to determine a course of action, we may provide a temporary supply of a nonformulary drug if those members need a refill for the drug during the first 90 days of new membership in our Plan.

If you're a current member affected by a formulary change from one year to the next, we'll provide you with the opportunity to request a formulary exception in advance for the following year.

When a member goes to a network pharmacy and we provide a temporary supply of a drug that isn't on our *Drug List*, or that has coverage restrictions or limits (but is otherwise considered a Part D drug), we'll cover a 30-day supply (unless the prescription is written for fewer days). After we cover the temporary 30-day supply, we generally will not pay for these drugs as part of our transition policy again. We'll provide you with a written notice after we cover your temporary supply. This notice will explain the steps you can take to request an exception and how to work with your doctor to decide if you should switch to an appropriate drug that we cover.

If you have questions, please call HMSA at (808) 948-6000 or 1 (800) 660-4672 toll-free. TTY users, call 711, 7:45 a.m. to 8 p.m., seven days a week. The call is free. For more information, visit hmsa.com/advantage.
Last updated: 10/01/2025

If a new member is a resident of a long-term care facility (like a nursing home), we'll also cover a temporary 31-day transition supply (unless the prescription is written for fewer days). If necessary, we'll cover more than one refill of these drugs during the first 90 days a new member is enrolled in our Plan. If the resident has been enrolled in our Plan for more than 90 days and needs a drug that isn't on our *Drug List* or is subject to other restrictions, such as dosage limits, we'll cover a temporary 31-day emergency supply of that drug (unless the prescription is for fewer days) while the new member pursues a formulary exception.

Current members are also eligible to receive a transition fill under certain conditions. If a current member enters a long-term care facility or is in an LTC facility and requires an emergency supply of nonformulary drugs, we'll cover a temporary 31-day transition supply (unless the prescription is written for fewer days). We'll cover more than one refill of these drugs for these members for the first 90 days.

A member may experience a change in their level of care at an inpatient hospital facility or skilled nursing facility which results in noncoverage of drugs previously covered by Medicare Part D. For current members experiencing a level of care change, we'll also cover a temporary 31-day transition supply as outlined above.

Please note that our transition policy applies only to those drugs that are Part D drugs and bought at a network pharmacy. The transition policy can't be used to buy a non-Part D drug or a drug out-of-network, unless you qualify for out-of-network access.

B10. Can I ask for an exception to cover my drug?

Yes. You can ask HMSA to make an exception to cover a drug that isn't on the *Drug List*.

You can also ask us to change the rules on your drug.

- For example, HMSA may limit the amount of a drug we'll cover. If your drug has a limit, you can ask us to change the limit and cover more.

- Other examples: You can ask us to drop step therapy restrictions or prior authorization requirements.

B11. How can I ask for an exception?

To ask for an exception, call us and we'll work with you and your provider to help you ask for an exception. You can also read Chapter 9, Section 7, of the *Evidence of Coverage* to learn more about exceptions.

B12. How long does it take to get an exception?

After we get a statement from your prescriber supporting your request for an exception, we'll give you a decision within 72 hours. You, your prescriber, or your authorized representative can ask us to make a coverage determination verbally or in writing. To request a coverage determination or for more information about the process or status of a request, call HMSA's pharmacy benefit manager at 1 (855) 479-3659 toll-free. TTY users call 711.

You can also access the coverage decision process through our website, at hmsa.com/help-center/forms/medicare-drug-review/.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we'll give you a decision within 24 hours of getting your prescriber's supporting statement.

B13. What are generic drugs?

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and generally work just as well. They usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA).

There are generic drugs available for many brand name drugs. Generic drugs usually can be substituted for brand name drugs at the pharmacy without a new prescription—depending on state laws.

HMSA covers both brand name drugs and generic drugs.

B14. What are original biological products and how are they related to biosimilars?

When we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have forms that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

For more information on drug types, refer to Chapter 5 of the *Evidence of Coverage*.

B15. What are OTC drugs?

OTC stands for "over-the-counter." HMAA QUEST (Medicaid) covers some OTC drugs when they're written as prescriptions by your provider.

You can read the HMAA *Drug List* to find out what OTC drugs are covered.

B16. Does HMAA cover non-drug OTC products?

HMAA covers some non-drug OTC products when they're written as prescriptions by your provider.

Examples of non-drug OTC products include

- Adhesive bandages
- Gauze pads
- Peak flow meters

You can read the HMAA *Drug List* to find out what non-drug OTC products are covered.

If you have questions, please call HMAA at (808) 948-6000 or 1 (800) 660-4672 toll-free. TTY users, call 711, 7:45 a.m. to 8 p.m., seven days a week. The call is free. For more information, visit hmsa.com/advantage.

Last updated: 10/01/2025

B17. Does HMSA cover long-term supplies of prescriptions?

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 100-day supply of your drugs sent directly to your home. A 100-day supply has the same copay as a one-month supply.
- 100-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 100-day supply of covered drugs. A 100-day supply has the same copay as a one-month supply.

If you have questions, call Customer Relations at the numbers listed at the bottom of this page.

B18. Can I get prescriptions delivered to my home from my local pharmacy?

Prescription drugs can be shipped to your home from HMA's mail-order pharmacy, CVS Caremark. Usually, a mail-order pharmacy order will get to you in no more than 14 days after the pharmacy receives the order. If your drugs do not arrive within this timeframe, please call 1 (855) 479-3659 toll-free, 24 hours a day, seven days a week; TTY users, call 711. You can also choose to sign up for our optional automatic delivery program by calling these numbers.

B19. What's my copay?

HMSA Akamai Advantage Dual Care members have a \$0 copay for Tier 1 and Tier 2 generic drugs and a 25% coinsurance on Tiers 3, 4, and 5 for prescriptions and OTC drugs and non-drug products as long as the member follows the plan's rules. Refer to questions B14 and B15 for more information about OTC drugs and non-drug products.

Tiers are groups of drugs on our Drug List.

Tier 1: Preferred Generic drugs have a \$0 copay.

Tier 2: Generic drugs have a \$0 copay.

Tier 3: Preferred Brand drugs have a 25% coinsurance.

Tier 4: Non-Preferred Drug drugs have a 25% coinsurance.

Tier 5: Specialty Tier drugs have a 25% coinsurance.

OTCs have a \$0 copay.

C. Overview of the List of Covered Drugs

The *List of Covered Drugs* gives you information about the drugs covered by HMSCA. If you have trouble finding your drug in the list, turn to the Index of Covered Drugs that begins in section D. The index alphabetically lists all drugs covered by HMSCA.

Note: Drugs identified in the drug list as non-Part D drugs have different rules for appeals.

- An appeal is a formal way of asking us to review a decision we made about your coverage and to change it if you think we made a mistake.
- For example, we might decide that a drug that you want isn't covered or is no longer covered by Medicare or the state.
- If you or your prescriber disagrees with our decision, you can appeal. If you ever have a question, call Customer Relations at the numbers listed at the bottom of this page.
- You can also read Chapter 9 of the *Evidence of Coverage* to learn how to appeal a decision.

C1. List of Drugs by Medical Condition

The drugs in this section are grouped into categories depending on the type of medical conditions they're used to treat. For example, if you have a heart condition, you should look in the category, "Cardiovascular." That's where you'll find drugs that treat heart conditions.

Here are the meanings of the codes used in the "Necessary actions, restrictions, or limits on use" column:

PA – Prior Authorization: Requires that you or your physician receive approval from HMSA Akamai Advantage Dual Care before we will cover your prescription.

QL – Quantity Limits: A limit on the amount of the drug that HMSA Akamai Advantage Dual Care will cover.

ST – Step Therapy: Requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition.

NM – Not Available at Mail Order: These drugs are not available through HMSA's mail-order pharmacy, CVS Caremark.

B/D – B or D: This drug may be covered under Medicare Part B or D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination. For more information, please call Customer Relations.

The first column of the table lists the name of the drug. Generic drugs are listed in lower-case italics (for example, *lisinopril*), brand name drugs are capitalized (for example, JARDIANCE), and OTC drugs and non-drug products are listed in lower case (for example, acetaminophen). The information in the "Necessary actions, restrictions, or limits on use" column tells you if HMSA has any rules for covering your drug.

2026 List of Covered Drugs for Dual Care Supplemental Medicaid Formulary

Effective 10/01/2025

As an HMSCA Akamai Advantage Dual Care member, you are also enrolled in HMSCA QUEST (Medicaid) to provide coverage of products that are typically not covered by Medicare. The supplemental section lists additional drugs that are covered under your HMSCA QUEST plan.

Abbreviations used in this formulary

TERM	DEFINITION
AGE	Age Limit
Lowercase	Indicates generic drug
OB7	Initial prescriptions for opioids and benzodiazepines being filled concurrently will be limited to a 7-day supply.
OTC	Over the Counter
PA	Prior Authorization
QL	Quantity Limit
SP	Specialty Drug
ST	Step Therapy
UPPERCASE	Indicates brand name drug
+	Indicates both the generic is covered as well as the brand-name product equivalent, with dispense as written code 1 (DAW 1). This includes State-mandated drug classes (HIV and AIDS, Antidepressants, Antipsychotics, Antianxiety Agents, and Immunosuppressants).

Drug coverage information

The status of a drug on this list is current as of the date of this publication.

The list serves as a guide to product selection for our providers and members. The list is subject to change. Participating pharmacies have the most up-to-date formulary information at the time prescriptions are filled. New drugs, strengths, forms, and/or therapeutic categories will be reflected in the formulary, as applicable, following the completion of HMSCA's review process.

Not all generic drugs may be listed.

Drug Name	Requirements/Limits
ADHD/ANTI-NARCOLEPSY/ANTI-OBESITY/ANOREXIANTS	
ANTI-OBESITY AGENTS	
WEGOVY INJ 0.25MG	PA; Not covered for obesity
WEGOVY INJ 0.5MG	PA; Not covered for obesity
WEGOVY INJ 1.7MG	PA; Not covered for obesity
WEGOVY INJ 1 MG	PA; Not covered for obesity
WEGOVY INJ 2.4MG	PA; Not covered for obesity
ANALGESICS - ANTI-INFLAMMATORY	
NONSTEROIDAL ANTI-INFLAMMATORY AGENTS (NSAIDS)	
<i>flurbiprofen tab 50 mg</i>
