Pre-enrollment Checklist

Before making an enrollment decision, it's important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a customer service representative at (808) 948-6235 or 1 (800) 693-4672 toll-free. For TTY, call 711.

Understanding the Benefits

- ☐ The *Evidence of Coverage (EOC)* provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit hmsa.com/health-plans/medicare/resources/ or call us to view a copy of the EOC.
- ☐ Review the *Provider Directory* (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the *Pharmacy Directory* to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium (if applicable), you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on Jan. 1, 2028.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copayment for services received by non-contracted providers.
- ☐ If you're currently enrolled in a Medicare Advantage plan, that plan will end when your new Medicare Advantage plan starts. If you have TRICARE, your benefits may be affected when your new plan starts. Contact TRICARE for more information. If you have a Medigap plan, you may want to cancel it because you'll be paying for benefits you can't use.

Save Time with Automatic Payments

An easy way to pay your premium.

With automatic payments, you don't have to worry about remembering to pay your HMSA premium. We'll work with your bank or other financial institution to transfer your payments to HMSA every month.

How do I sign up for automatic payments?

Please complete the authorization form located on the back of this flyer and attach either a voided check or a savings account statement. You may use a single form for both medical and dental plans if payment information comes from the same bank account. Please submit two separate forms if paying from different bank accounts. Be sure to include the account holder's name and account number(s).

Mail the completed form to:

HMSA
Attn: Cashiers
P.O. Box 4720
Honolulu, HI 96812-4720

You can also sign up for automatic payments in My Account on hmsa.com. Click My Account Login then Profile and select Pay My Bill.

Not registered for My Account? On hmsa.com, click My Account Login. Click Register and follow the instructions.

After I submit my completed form, when will automatic payments start?

The automatic payment service will take about 30 days to process. We'll continue to bill you until we send you a confirmation that your automatic payments have been set up.

What if my premium changes?

If your premium changes, we'll notify you on your statement and you can call us to adjust the amount at the contact number listed on this form.

If you have My Account, you can change the amount in your autopayment settings.

How do I track automatic payments?

Your bank statement will show the HMSA deductions that will be made on the bill's due date or the following business day if the due date is on a weekend or holiday.

Do I need separate authorization forms for my spouse and dependent if they're enrolled in separate individual plans?

Yes, you need to complete authorization forms for each HMSA subscriber.

If I enroll in a rider such as HMSA's Dental Plus Plan, will I have to complete another authorization form to set up automatic payments for that plan?

If you are setting up autopayments for your medical and dental plans with the same bank information, you may use the same authorization form. If you are using different bank information, you'll have to complete a separate authorization form.

How do I cancel automatic payments?

Call or send us a written request to cancel or modify your scheduled payment on or before the 10th of each month. If you have My Account, you can cancel or modify the amount in your autopayment settings. Please allow 30 days for the cancellation to take effect.

After you enroll

We'll make your transition to HMSA Medicare Advantage as smooth and easy as possible. Here's what you can expect from us:

Enrollment verification letter

If we helped you enroll in HMSA Medicare Advantage for the first time, we'll send you a verification letter after your enrollment.

Welcome packet

You'll receive an HMSA Medicare Advantage welcome packet and enrollment confirmation letter in the mail. Please read the information about your plan benefits. It can help you get high-quality care and save money.

HMSA membership card

You'll receive your new card in the mail. Show this card when you see your doctor or go to a hospital. Secure it like a credit card. To prevent identity theft, don't share your card with anyone, keep it in a safe place, and call us if you lose your card. Cut up old or out-of-date cards.

Welcome call

We may call you to make sure you received your materials, help you understand your benefits, and answer any questions you may have.

Choose a primary care provider

When you enroll, it's important that you choose a PCP as your partner in health. Please let us know the name of your PCP so we can put it on your HMSA membership card. See page 16 for ways to find a participating provider or to check if your provider participates with HMSA.

Getting care

To get the most savings from your health plan, go to doctors, hospitals, pharmacies, and other providers in the HMSA Medicare Advantage network. They have an agreement with HMSA to charge you a lower amount than providers outside the network. You can go to providers outside the network, but you may pay more.
