## HMSA Plan for Postal Service Employees 2025

An Independent Licensee of the Blue Cross and Blue Shield Association

*Aloha,*

As we move toward a brighter future, HMSA is here to help you live your best life.

This year's open enrollment is Nov. 11 to Dec. 9, 2024. Our HMSA Postal Service members will transition to our HMSA Plan for Postal Service Employees, effective Jan. 1, 2025. For our Postal Service members currently in HMSA Federal Plan 87, your benefits will be largely similar in the HMSA Plan for Postal Service Employees. If you're not an HMSA member, this is your opportunity to enroll and see why more than 70% of federal employees choose HMSA.

With HMSA, you have continued access to quality, reliable care. You can count on:

- Your choice of doctors and specialists. Our network includes more than 7,500 doctors, specialists, and other health care providers dedicated to quality care.
- Access to Hawaii's top-rated hospitals and clinics. See page 4 to learn more about our growing network.
- Convenient after-hours care. Need care but don't need the emergency room? You can get care online, at an urgent care clinic, or at a MinuteClinic® in selected Longs Drugs stores on Oahu. To learn more about your after-hours care options, see pages 6-7.
- Access to care in more places. If you need to travel to another island for medical treatment, you may be eligible for financial assistance. Learn about the Care Access Assistance Program on page 8.
- Benefits that travel with you. Go to doctors and hospitals on the Mainland and around the world with Blue Cross Blue Shield Global® Core. See page 8 for details.
- Support for your best health and well-being. Our programs and services can help you reach your health goals at every stage of life. For details, see pages 14-15.
- Savings on health-related products and services like online fitness classes, massage therapy, gym memberships, athletic apparel, and more.

On the following pages, you'll find information about the benefits and services you'll have access to as an HMSA member. Please read on to learn more. If you have questions, we're happy to help. See the back cover for ways to contact us.

Thank you for taking the time to learn more about HMSA. We're here with you. For the good times. For the tough times. For lifetimes.

# What's new for 2025

Starting Jan. 1, 2025, the following changes will be applied to both High and Standard Option Postal Service Plans:

- The U.S. Postal Service and the Office of Personnel Management (OPM) have been working collectively to implement the new Postal Service Health Benefits (PSHB) Program for Postal Service employees and annuitants. You will be transitioned to a new plan within the PSHB Program coverage as of Jan. 1, 2025. Your benefits will be largely similar to HMSA Federal Plan 87.
- You will have the opportunity to review the HMSA Plan for Postal Service Employees and make a selection during this year's open season from Nov. 11 to Dec. 9, 2024. If you do not select a plan during open season, you will be automatically enrolled into a comparable plan.
- For annuitants who are eligible, HMSA will offer a new High or Standard Option HMSA Medicare Postal Prescription Drug Plan.
- The Medicare Postal Prescription Drug Plan has benefits that are the same, or richer, than those of the FEHB Prescription Drug Plan. It will include HMSA's Medicare Postal Prescription Drug Plan and a standalone \$2,000 prescription drug out-of-pocket maximum that accumulates toward your medical out-of-pocket maximum. If you have more prescription drug costs, you may pay less under this plan.

This is a summary of the features of the HMSA Plan. Before making a final decision, please read the Postal Service Plan Brochure (RI 73-916). All benefits are subject to the definitions, limitations, and exclusions in the brochure.

\* Deductible doesn't apply for Standard Option.

If you're a retired HMSA Plan for Postal Service Employees member and have Original Medicare, your HMSA plan will coordinate with Medicare. This means Medicare becomes your primary plan and pays first. Your HMSA plan will pay for services not covered by Medicare based on your plan benefits. This is a summary of the features of the HMSA Plan. Before making a final decision, please read the Postal Service Plan Brochure (RI 73-916) and other plan documents at [hmsa.com/postal](http://hmsa.com/postal). All benefits are subject to the definitions, limitations, and exclusions in the brochure.

# It's easy to get the care you need

## The choice is yours

With HMSA, you can choose your primary care provider (PCP), the doctor at the center of your healthcare team. You can see your PCP for general and preventive care needs, including health concerns and questions.

If you're happy with your PCP, you don't have to do anything. You can continue to see the doctor you know, trust, and rely on in times of need.

Want to choose or change your PCP? Use Find a Doctor at [hmsa.com/postal](https://hmsa.com/postal) to search for a doctor by name, location, or specialty. Just remember to choose your plan before starting your search.

You can also use Find a Doctor to search for other health care providers in HMSA's network.

## Get after-hours care

An emergency room visit can be expensive and isn't necessary for minor illnesses and injuries. But where can you go if your doctor's office is closed and you need treatment? You can save money and get the care you need with these after-hours options.

- Connect with a doctor on your computer or mobile device from anywhere in Hawaii with HMSA's Online Care®. Doctors are available 24 hours a day, seven days a week. This benefit is available at no cost to members. Download Online Care from the App Store or Google Play and register or visit [hmsaonlinecare.com](https://hmsaonlinecare.com).
- See a doctor at the urgent care clinics in our network, which are listed on page 7. To search for urgent care providers, go to [hmsa.com/urgentcare](https://hmsa.com/urgentcare).
- See a doctor or nurse practitioner at MinuteClinic, the medical clinic in selected Longs Drugs stores on Oahu. To find a MinuteClinic, use Find a Doctor at [hmsa.com/postal](https://hmsa.com/postal).

Amwell is an independent company providing hosting and software services for HMSA's Online Care platform on behalf of HMSA.

# A Guide to Your HMSA Care Options

## Save time and money

by choosing the right care. Remember that emergency room visits are expensive and aren't necessary for illnesses or injuries that aren't life threatening.

Use this guide to help you get the right care when you need it.

### Primary care provider

See your PCP for routine and common medical issues like fever, minor symptoms of the flu or a cold, chronic condition management, medication refills, or general care.

### HMSA's Online Care

Connect with doctors and specialists online from anywhere in Hawaii, 24 hours a day, seven days a week. There's no copayment for Online Care visits.

Use Online Care when your PCP isn't available.

### Urgent care providers

Go to an urgent care provider when you need care in person sooner than you can see your doctor.

**For example,** you need stitches or have a high fever or sprained ankle.

### Emergency room

Go to the emergency room when you have life-threatening symptoms.

**For example,** you have difficulty breathing or chest pain.

## More tips

- ✓ Use the directory on the next page to find an urgent care provider near you. Services vary at each location, so call ahead to make sure they can provide the services you need.
- ✓ Register for Online Care now so it's easy to log in when you need it. Go to **[hmsaonlinecare.com](https://hmsaonlinecare.com)** to register and download the app on your smartphone.
- ✓ Follow up with your PCP after an urgent care or Online Care visit.

These options aren't a substitute for  
emergency care. If you experience  
life-threatening conditions such as a  
stroke or difficulty breathing, call 911 or  
go to the emergency room immediately.

Most urgent care clinics are closed  
on Thanksgiving Day, Christmas Day,  
and New Year's Day. Services vary by  
location. Call the clinic to ask about  
specific services.

# Get care around the world

With HMSA, you and your eligible dependents can get care on the Mainland and in many international locations.

## How it works

HMSA is part of the Blue Cross Blue Shield network, giving HMSA members access to 1.7 million doctors and hospitals nationwide and in 170 countries and territories worldwide.

Looking for a doctor or hospital on the Mainland? Go to [bcbs.com](http://bcbs.com).

Traveling internationally? Download the Blue Cross Blue Shield Global Core mobile app for Apple and Android devices. You can use the app to search for providers when you travel. To learn more, go to [bcbsglobalcore.com](http://bcbsglobalcore.com).

## Be prepared

- Before you go, make sure you have your current HMSA membership card with you. Your card will help providers file your claims.
- You can also call 1 (800) 810-BLUE (2583) for the names of participating doctors and hospitals in the area you'll be visiting.

## Learn more about our Care Access Assistance Program

If you need to travel to another island for medical treatment, you may be eligible for financial assistance if your care isn't available from a participating provider on your home island or you can't get an appointment soon enough.

Call us at 1 (844) 357-0726 to learn more about this program for Postal Service employees.

# Prescription Drugs

With HMSA, you'll enjoy prescription drug benefits with greater convenience and more savings. We work with our pharmacy benefit manager, CVS Caremark®, to offer innovative pharmacy programs and services and access to a large retail pharmacy network with 68,000 pharmacies in Hawaii and on the Mainland.

If you're a Medicare-eligible annuitant, your prescription drug benefits can be found in the HMSA Medicare Postal Prescription Drug Plan *Summary of Benefits*.

## If you're an active member It's your choice

When you need medications, you can fill your prescriptions at a participating pharmacy or by mail. To download and print a mail service order form, go to [hmsa.com/postal](https://hmsa.com/postal) and click My Account Login.

### Save money

- Save up to 80% on your medication when you fill your prescription with a generic instead of a brand-name medicine. Generics have the same active ingredients and are just as effective as brand-name medications. The amount you save will be based on your drug plan.

### \$0 copayment with Maintenance Choice

- With the CVS Caremark Maintenance Choice program, Postal Plan members can get 90-day supplies of generic drugs in the mail or from a Longs Drugs (CVS Pharmacy) or Costco Pharmacy with a \$0 copayment. That's a savings that can't be beat. To learn more ways to save money on your medications, call 1 (855) 298-2491.

### Go online

- To sign up for mail-order prescription drugs, go to My Account on [hmsa.com/postal](https://hmsa.com/postal) and click My Account Login.
- On My Account, you can also connect with a pharmacist, print forms, see processed claims, find a nearby pharmacy, and order prescription refills.

- For annuitants, please visit [hmsa.com/employer/postal/health-plans-medicare](https://hmsa.com/employer/postal/health-plans-medicare).

### Learn more

- Find out if a medication is a benefit of your plan with CVS Caremark Check Drug Cost. You can also see the most affordable options and compare the cost of prescription fills. The tool is available online through [hmsa.com/postal](https://hmsa.com/postal) or on the CVS Caremark smartphone app.
- To see a list of prescription drugs that are a benefit of your health plan, go to [hmsa.com/drug-list](https://hmsa.com/drug-list).

To search for a participating pharmacy near you, use Find a Doctor on [hmsa.com/postal](https://hmsa.com/postal). Just remember to choose your plan before starting your search.

CVS Caremark® is an independent company providing pharmacy benefit management services on behalf of HMSA.

# Add more benefits to your plan

As an HMSA member, you can buy additional supplemental plans that are separate from FEDVIP, such as dental and accidental care plans.

## Dental Plans\*

HMSA offers comprehensive dental plans that include cleanings, exams, and major services like crowns, dentures, and bridges. Choose our HMSA Dental PPO plan or our HMSA Dental HMO plan. In addition to a large dental network and rich benefits, the Oral Health for Total Health<sup>SM</sup> program provides eligible members with additional dental services at no added cost.

Visit [hmsa.com/postal](https://hmsa.com/postal) to learn more.

\*These dental products are separate and distinct from FEDVIP and therefore premiums for these products cannot be deducted on a pretax basis. These benefits are neither offered nor guaranteed under contract with the PSHB Program, but are available to all enrollees and family members who become members of HMSA.

## USAbLe Life's Accident Elite Plan\*

Life can change in an instant. Be sure you're protected if the unexpected happens. USAbLe Life's Accident Elite plan pays cash directly to you in the event of an accident or injury.

### Highlights of the plan

- This plan provides benefits 24 hours a day no matter where the accident occurs.
- There's no deductible, annual maximum, or limit on the number of covered accidents.
- This plan is portable, which means you can take it with you if you leave your job.
- This plan pays you in the event of an accident regardless of what your health plan may pay.
- You can enroll yourself, your spouse, and eligible children. You must be under age 65 to enroll.
- A wellness benefit of \$75 is included when you receive health screenings such as an annual physical exam during the year.

## How does it work?

If you're injured, the Accident Elite Ultra plan will pay you the cost of:

- Wellness benefits.
- Ambulance service.
- Emergency room treatments.
- Injury.
- Two follow-up physician visits.
- Six physical therapy sessions.

Other plans are also available. To find out more, please visit [usablelife.com/postalservice](https://usablelife.com/postalservice).

\*These products are separate and distinct from FEDVIP and therefore premiums for these products cannot be deducted on a pretax basis. These benefits are neither offered nor guaranteed under contract with the FEHB Program, but are available to all enrollees and family members who become members of HMSA.

# Retirement

Medicare is a health insurance program for people age 65 or older. Medicare has different parts that cover specific services.

## Medicare’s four parts

Part A (Hospital Insurance)	Part B (Medical Insurance)	Part C (Medicare Advantage Plans)	Part D (Medicare Prescription Drug)
 <p>Helps pay for inpatient care in hospice and hospitals, including critical access and skilled nursing facilities.</p>	 <p>Helps pay for doctors’ services, outpatient care, and services Part A doesn’t pay for.</p>	 <p>A health plan that you get through HMSA. You may apply for this plan only if you choose to opt out of the HMSA Medicare Postal Prescription Drug Plan.</p>	 <p>A drug plan that’s available to Postal Service annuitants who are eligible for Medicare. You’re highly encouraged to enroll in Medicare Part A and B.</p>

## Two cards for more benefits

With HMSA and Medicare you’ll receive:

- Access to HMSA’s large provider network.
- Access to Medicare’s network.
- Coordination of benefits when seeing a provider that accepts both plans.

When you receive care, show providers your HMSA and Medicare membership cards. This ensures your claims are processed correctly.

## Finding a provider

Medicare has its own network of participating providers who accept Medicare’s allowance. If you visit a provider outside of their network, we’ll pay the difference between what Medicare pays and what you owe the provider. You can find out which providers are in the Medicare participating provider network at [medicare.gov](https://www.medicare.gov). Go to [medicare.gov](https://www.medicare.gov) and click Find care providers.

Keep in mind that you may be required to see a participating provider based on your plan type. To find a doctor, use Find a Doctor on [hmsa.com/postal](https://www.hmsa.com/postal).

For more information about Medicare, visit [medicare.gov](https://www.medicare.gov).

# Well-being programs

## Health Resources

**Blue Cross Blue Shield Global Core** gives members access to care on the Mainland and in many places around the world.

**Caregiver resources** are offered to members who are caring for a loved one.

**MinuteClinic** are medical clinics in selected Longs Drugs stores on Oahu.

**Find a Doctor** on [hmsa.com/postal](https://hmsa.com/postal) helps members find a doctor or other health care provider.

**Hawai'i Tobacco Quitline** provides support for members who want to quit tobacco for good. Talk to your PCP and call 1 (800) QUIT-NOW (784-8669) to get started.

**Health coaching** is available to help members reach their health goals. Call 1 (855) 329-5461 to connect with an HMSA health coach.

**HMSA's Online Care** connects members to doctors and specialists from a computer, tablet, or smartphone from anywhere in Hawaii.

**My Account** is an online portal that members can use to view their claims, details about their health plan, and more.

**Urgent care clinics** are usually open after hours and on the weekends. They're recommended for treating minor illnesses and injuries that aren't an emergency but can't wait until the next day.

Active&Fit Direct and the Active&Fit Direct logos are trademarks of American Specialty Health and used with permission herein. Additional terms and conditions apply. The Active&Fit Direct program is provided by American Specialty Health Fitness Inc., a subsidiary of American Specialty Health Inc. American Specialty Health is an independent company providing chiropractic, acupuncture, fitness programs, and/or massage therapy services on behalf of HMSA.

The ChooseHealthy program is provided by American Specialty Health Group Inc. and ASH Technologies Inc. (dba ASH Technologies of Delaware Inc. in the state of Pennsylvania); all are subsidiaries of American Specialty Health Incorporated (ASH). The ChooseHealthy program is an independent specialty health organization that provides discounts on health, fitness, and wellness products to HMSA members.

## Medical Resources

**Advance care planning** is a process that documents your health care wishes so that your doctors know how you want to be cared for if you can't make decisions for yourself.

**Diabetes education** provides information and resources for members living with diabetes.

**Digital Diabetes Management Program** uses Virta, a clinically proven, provider-led treatment that helps patients manage their type 2 diabetes through lifestyle changes that enables them to lower their A1C, lose weight, and reduce the need for diabetes medications. The HMSA Plan for Postal Service Employees fully covers the cost of Virta for you and your eligible family members with type 2 diabetes. For more information, visit [virtahealth.com/join/fedplan87](https://virtahealth.com/join/fedplan87).

**Health and well-being support** provides outreach and coaching for members with chronic health conditions.

**HMSA Behavioral Health Program** provides referrals to providers who can help members with their emotional health.

**HMSA's Care Access Assistance Program** provides financial assistance for eligible members who need to travel for specialty care that isn't available or isn't available soon enough on their home island.

**HMSA Pregnancy and Postpartum Support Program** provides eligible members with personalized prenatal care support for a healthy pregnancy and six months after delivery.

**HMSA Supportive Care** helps members manage the symptoms and stresses of serious illnesses.

## Preventive Care

**Annual visits with a PCP.**

**A physical exam** is the annual health assessment for plan members.

**Online health education workshops** are fun, interactive ways for members to learn about health and well-being topics.

**Diabetes Prevention Program** helps eligible members who are at risk for prediabetes prevent the onset of type 2 diabetes through lifestyle and diet changes, exercise, and group support.

**Medication therapy management program** will help you manage your medications with activities that will provide you with the support you need to adhere to your medication regimen.

Notice of *Summary of Benefits and Coverage*: Availability of Summary Health Information.

The Postal Service Health Benefits Program offers numerous health plan benefits and coverage options. Choosing a health plan and coverage option are important decisions. To help you make an informed choice, each PSHB plan makes available a *Summary of Benefits and Coverage* about each of its health plan options online and on paper. The SBC summarizes important information in a standard format to help you compare plans and options.

To see the High Option plan SBC, visit [hmsa.com/2025PostalPlanSBC](https://hmsa.com/2025PostalPlanSBC). To see the Standard Option plan SBC, visit [hmsa.com/2025PostalStandardPlanSBC](https://hmsa.com/2025PostalStandardPlanSBC). If you want us to send you a copy at no charge, call 1 (800) 776-4672.

# Quick reference guide for preventive screenings

## **Blood pressure check**

A blood pressure check is recommended for everyone. A blood pressure plan is recommended for people whose recent blood pressure test was high.

## **Body mass index**

BMI is a number calculated from your weight and height. It's an indicator of body fat and is used to screen for excess weight that may lead to health problems.

## **Breast cancer screening**

A mammogram is recommended for women 40 years of age and older once every calendar year. The test looks for abnormal cells in breast tissue that could lead to cancer.

## **Cervical cancer screening**

These tests are recommended for women ages 21 to 65. There are two tests. A Pap smear looks for abnormal changes in cells in the cervix that could lead to cancer. An HPV test looks for a virus that causes cervical cancer.

## **Colorectal cancer screening**

A colorectal cancer screening is recommended for people ages 45 to 75. This screening looks for abnormal cells and polyps in the colon and rectum that could lead to cancer. Since there are different tests, your doctor can recommend which test is right for you.

## **Diabetes checkup: Blood sugar test**

A blood sugar test is recommended for people with diabetes. High blood sugar can lead to heart attack, stroke, nerve damage, poor circulation, sexual dysfunction, kidney failure, and blindness.

## **Diabetes checkup: Eye exam**

A dilated retinal eye exam (which is different from a regular eye exam) is recommended for people with diabetes. This exam looks for damage to the eye caused by high blood sugar and high blood pressure.

## **Diabetes checkup: Kidney function test**

A kidney function test is recommended for people with diabetes ages 18 to 75. This test looks at your kidneys' ability to filter blood.
