Medicare R X
Prescription Drug Coverage

S3994_8700_1056100_R6M284_25_C

When this drug list (formulary) refers to "we," "us," or "our," it means HMSA. When it refers to "plan" or "our plan," it means HMSA Medicare Postal Prescription Drug Plan (PDP).

This document includes a list of the drugs (formulary) for our plan which is current as of 07/01/2025. For an updated formulary, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/coinsurance may change on Jan. 1, 2026, and throughout the year.

What is the HMSA Medicare Postal Prescription Drug Plan Formulary?

A formulary is a list of covered drugs selected by HMSA Medicare Postal Prescription Drug Plan in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. HMSA Medicare Postal Prescription Drug Plan will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at an HMSA Medicare Postal Prescription Drug Plan network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your *Evidence of Coverage*.

Can the Formulary (drug list) change?

Most changes in drug coverage happen on Jan. 1, but we may add or remove drugs on the Drug List during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow the Medicare rules in making these changes.

Changes that can affect you this year: In the following cases, you will be affected by coverage changes during the year:

- Immediate substitutions of certain new versions of brand name drugs and original biological products.** We may immediately remove a drug on our formulary if we are replacing it

with a certain new version of that drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when we add a new version of a drug to our formulary, we may decide to keep the brand name drug or original biological product on our formulary, but immediately move it to a different cost-sharing tier or add new restrictions. We can make these immediate changes only if we are adding a new generic version of a brand name drug, or adding certain new biosimilar versions of an original biological product, that was already on the formulary (for example, adding an interchangeable biosimilar that can be substituted for an original biological product by a pharmacy without a new prescription). If you are currently taking that brand name drug or original biological product, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.

- If we make such a change, you or your prescriber can ask us to make an exception and continue to cover for you the drug that is being changed. For more information see the section below entitled "How do I request an exception to the HMSA Medicare Postal Prescription Drug Plan Formulary?"
- Some of these drug types may be new to you. For more information, see the section below titled "What are original biological products and how are they related to biosimilars?"

- Drugs removed from the market.** If a drug is withdrawn from sale by the manufacturer or the Food and Drug Administration (FDA) determines to be withdrawn for safety or effectiveness reasons, we may immediately remove the drug from our formulary and later provide notice to members who take the drug.
- Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a generic drug that is not new to market to replace a brand name drug currently on the formulary or add a new biosimilar to replace an original biological product currently on the formulary, or add new restrictions or move a drug we are keeping on

the formulary to a higher cost-sharing tier or both after we add a corresponding drug. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, add prior authorization, quantity limits and/or step therapy restrictions on a drug or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 60-day supply of the drug.

- If we make these other changes, you or your prescriber can ask us to make an exception for you and continue to cover the drug you have been taking. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled "How do I request an exception to the HMSA Medicare Postal Prescription Drug Plan Formulary?"

Changes that will not affect you if you are currently taking the drug. Generally, if you are taking a drug on our 2025 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2025 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on Jan. 1 of the next year, such changes would affect you, and it is important to check the Drug List for the new benefit year for any changes to drugs.

The enclosed formulary is current as of 07/01/2025. To get updated information about the drugs covered by HMSA Medicare Postal Prescription Drug Plan, please contact us. Our contact information appears on the front and back cover pages. We will inform members of any formulary changes to this comprehensive formulary through our website.

How do I use the formulary?

There are two ways to find your drug within the formulary:

Medical Condition

The formulary begins on page 1. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, "Cardiovascular." If you know what your drug is used for, look for the category name in the list that begins on page 1. Then look under the category name for your drug.

Alphabetical Listing

If you are not sure what category to look under, you should look for your drug in the Index that begins on page 109. The Index provides an alphabetical list of all of the drugs included in this document. Both brand name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

What are generic drugs?

HMSA Medicare Postal Prescription Drug Plan covers both brand name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand name drug. Generally, generic drugs cost less than brand name drugs. There are generic drug substitutes available for many brand name drugs. Generic drugs usually can be substituted for the brand name drug at the pharmacy without needing a new prescription, depending on state laws.

What are original biological products and how are they related to biosimilars?

On the formulary, when we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have

alternatives that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

For discussion of drug types, please see the *Evidence of Coverage*, Chapter 5, "The 'Drug List' tells which Part D drugs are covered."

Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** HMSA Medicare Postal Prescription Drug Plan requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from HMSA Medicare Postal Prescription Drug Plan before you fill your prescriptions. If you don't get approval, HMSA Medicare Postal Prescription Drug Plan may not cover the drug.
- **Quantity Limits:** For certain drugs, HMSA Medicare Postal Prescription Drug Plan limits the amount of the drug that HMSA Medicare Postal Prescription Drug Plan will cover. For example, HMSA Medicare Postal Prescription Drug Plan provides 30 tablets per prescription for simvastatin 80 mg. This may be in addition to a standard one-month or three-month supply.
- **Step Therapy:** In some cases, HMSA Medicare Postal Prescription Drug Plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, HMSA Medicare Postal Prescription Drug Plan may not cover Drug B unless you try Drug A first. If Drug A does not work for you, HMSA Medicare Postal Prescription Drug Plan will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 1. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask HMSA Medicare Postal Prescription Drug Plan to make an exception to these restrictions or limits or for a list of other similar drugs that may treat your health condition. See the section, "How do I request an exception to the HMSA Medicare Postal Prescription Drug Plan Formulary?" on this page for information about how to request an exception.

What if my drug is not on the formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact our Customer Relations department and ask if your drug is covered. If you learn that HMSA Medicare Postal Prescription Drug Plan does not cover your drug, you have two options:

- You can ask Customer Relations for a list of similar drugs that are covered by HMSA Medicare Postal Prescription Drug Plan. When you receive the list, show it to your doctor and ask them to prescribe a similar drug that is covered by HMSA Medicare Postal Prescription Drug Plan.
- You can ask HMSA Medicare Postal Prescription Drug Plan to make an exception and cover your drug. See below for information about how to request an exception.

How do I request an exception to the HMSA Medicare Postal Prescription Drug Plan Formulary?

You can ask HMSA Medicare Postal Prescription Drug Plan to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a predetermined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to cover a formulary drug at a lower cost-sharing level if this drug is not on the specialty tier. If approved this would lower the amount you must pay for your drug.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, HMAA Medicare Postal Prescription Drug Plan limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, HMAA Medicare Postal Prescription Drug Plan will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug, or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, tiering, or utilization restriction exception. **When you request an exception, your prescriber will need to explain the medical reasons why you need the exception.**

Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

What can I do if my drug is not on the formulary or has a restriction?

As a new or continuing member in our plan, you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but has a coverage restriction, such as prior authorization. You should talk to your prescriber about requesting a coverage

decision to show that you meet the criteria for approval, switching to an alternative drug that we cover, or requesting a formulary exception so that we will cover the drug you take. While you and your doctor determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we will cover a temporary 30-day supply (unless you have a prescription written for fewer days) when you go to a network pharmacy. After your first 30-day supply, we will not pay for these drugs even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care (LTC) facility, we will allow you to refill your prescription until we have provided you with a 31-day transition supply consistent with the dispensing increment (unless you have a prescription written for fewer days). We will cover more than one refill of these drugs for the first 90 days you are a member of our plan. If you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug (unless you have a prescription for fewer days) while you pursue a formulary exception.

Transition policy

New members in our plan may be taking drugs that aren't on our formulary or that are subject to certain restrictions, such as prior authorization. Current members may also be affected by changes in our formulary from one year to the next. Members should talk to their doctors to decide if they should switch to a different drug that we cover or request a formulary exception in order to get coverage for the drug. See the section, "How do I request an exception to HMAA Medicare Postal Prescription Drug Plan Formulary?" to learn more about how to request an exception.

Please contact Customer Relations if your drug is not on our formulary, is subject to certain restrictions such as prior authorization, and you need to switch to a different drug that we cover or

request a formulary exception. During the period of time members are talking to their doctors to determine a course of action, we may provide a temporary supply of a nonformulary drug if those members need a refill for the drug during the first 90 days of new membership in our plan. If you are a current member affected by a formulary change from one year to the next, we will provide you with the opportunity to request a formulary exception in advance for the following year.

When a member goes to a network pharmacy and we provide a temporary supply of a drug that isn't on our formulary or that has coverage restrictions or limits (but is otherwise considered a Part D drug), we will cover a 30-day supply (unless the prescription is written for fewer days). After we cover the temporary 30-day supply, we generally will not pay for these drugs as part of our transition policy again. We will provide you with a written notice after we cover your temporary supply. This notice will explain the steps you can take to request an exception and how to work with your doctor to decide if you should switch to an appropriate drug that we cover.

If a new member is a resident of a long-term care facility (like a nursing home), we will also cover a temporary 31-day transition supply (unless the prescription is written for fewer days). If necessary, we will cover more than one refill of these drugs during the first 90 days a new member is enrolled in our plan. If the resident has been enrolled in our plan for more than 90 days and needs a drug that isn't on our formulary or is subject to other restrictions, such as dosage limits, we will cover a temporary 31-day emergency supply of that drug (unless the prescription is for fewer days) while the new member pursues a formulary exception.

Current members are also eligible to receive a transition fill under certain conditions. If a current member enters a long-term care (LTC) facility or is in an LTC facility and requires an emergency supply of nonformulary drugs, we will cover a temporary 31-day transition supply (unless the prescription is written for fewer days). We will cover more than one refill of these drugs for these members for the first 90 days.

A member may experience a change in their level of care at an inpatient hospital facility or skilled nursing facility that results in noncoverage of drugs previously covered by Medicare Part D. For current members experiencing a level of care change, we will also cover a temporary 31-day transition supply as outlined above.

Please note that our transition policy applies only to those drugs that are Part D drugs and bought at a network pharmacy. The transition policy can't be used to buy a non-Part D drug or a drug out-of-network, unless you qualify for out-of-network access.

For more information

For more detailed information about your HMAA Medicare Postal Prescription Drug Plan prescription drug coverage, please review your *Evidence of Coverage* and other plan materials.

If you have questions about HMAA Medicare Postal Prescription Drug Plan, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at 1 (800) MEDICARE [1 (800) 633-4227] 24 hours a day, seven days a week. TTY users should call 1 (877) 486-2048. Or visit <http://www.medicare.gov>.

HMAA Medicare Postal Prescription Drug Plan Formulary

This formulary includes all qualified Medicare prescription drugs that are covered by HMAA Medicare Postal Prescription Drug Plan High Option (PDP) and HMAA Medicare Postal Prescription Drug Plan Standard Option (PDP) plans.

Your plan also includes enhanced drug coverage of generics and non-preferred brands in the following drug categories:

- Drugs when used for the relief of cough or cold symptoms.
- Prescription vitamins.

If you have questions regarding whether or not

your prescription is covered, please call our Customer Relations department.

The formulary that begins on page 1 provides coverage information about the drugs covered by HMSCA Medicare Postal Prescription Drug Plan High Option (PDP) and HMSCA Medicare Postal Prescription Drug Plan Standard Option (PDP) plans. If you have trouble finding your drug in the list, turn to the Index that begins on page 109.

The first column of the chart lists the drug name. Brand name drugs are capitalized and generic drugs are listed in lower-case italics.

The information in the requirements/limits column tells you if HMSCA Medicare Postal Prescription Drug Plan has any special requirements for coverage of your drug.

Drug tier index:

Tier 1 – Preferred Generic

Tier 2 – Generic

Tier 3 – Preferred Brand

Tier 4 – Nonpreferred Drug

Tier 5 – Specialty Tier

Please refer to the *Summary of Benefits or Evidence of Coverage* for the specific copayment or coinsurance amount associated with each tier. Our plan covers most Part D vaccines at no cost to you. You won't pay more than \$35 for a one-month supply of each covered insulin product regardless of the cost-sharing tier.

Abbreviations used in this Formulary

PA – Prior Authorization: Requires that you or your physician receive approval from HMSCA Medicare Postal Prescription Drug Plan before we will cover your prescription.

QL – Quantity Limits: A limit on the amount of the drug that HMSCA Medicare Postal Prescription Drug Plan will cover.

ST – Step Therapy: Requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition.

NM – Not Available at Mail Order: These drugs are not available through HMSCA's mail-order pharmacy, CVS Caremark®.

B/D – B or D: This drug may be covered under Medicare Part B or D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination. For more information, please call Customer Relations.

Prescription drugs can be shipped to your home from HMSCA's mail-order pharmacy, CVS Caremark. Usually a mail-order pharmacy order will get to you in no more than 14 days after the pharmacy receives the order. If your drugs do not arrive within this timeframe, please call 1 (833) 266-8150, 24 hours a day, seven days a week; TTY users, call 711. You can also choose to sign up for our optional automatic delivery program by calling these numbers.

CVS Caremark® is an independent company providing pharmacy benefit management services on behalf of HMSCA.

HMSA Medicare Postal Prescription Drug Plan (PDP) **Enhanced Formulary**

This formulary was updated on 07/01/2025.

Introduction

2025 HMSA Medicare Postal Prescription Drug Plan Enhanced Formulary is a managed formulary that provides supplemental drug coverage to the above Medicare formulary. Drugs listed on this formulary are considered covered benefits. Consistent with the principles of this formulary, the HMSA Pharmacy & Therapeutics (P&T) Committee reviews new drugs to assess their safety and effectiveness before they're added to the formulary. The HMSA P&T Committee is comprised of practicing physicians and pharmacists from the community.

In addition to new drugs, the HMSA P&T Committee and HMSA staff continually review the formulary. The formulary approval process helps to ensure that clinical evidence and medical value are considered before cost. If drugs in a treatment class are clinically comparable, the committee will assess cost effectiveness and choose agents with the best value.

The document is organized in sections that are divided into therapeutic drug classes primarily defined by mechanism of action.

Therapeutic drug class description does not indicate coverage. Please refer to your plan benefit.

Tier level and coverage criteria (if applicable) are noted next to each drug.

Tier Definition

Tier 0 – Zero (\$0) Copayment

Tier 1 – Preferred generic drugs

Tier 2 – Preferred drugs and non-preferred generic drugs

Tier 3 – Other brand drugs

Tier 4 – Preferred specialty drugs

Tier 5* – Non-preferred specialty drugs

DS – Diabetic supplies

*If applicable to your plan benefits

Exception request

Drugs listed on this formulary are considered covered benefits. Certain medications on the list are covered if utilization management criteria are met (i.e., Step Therapy, Prior Authorization, Quantity Limits, etc.); requests for use of such medications outside of their listed criteria will be

reviewed for medical necessity. If a medication is not listed on the document, a formulary exception may be requested for coverage. Medical necessity or formulary exception requests will be reviewed based on drug-specific prior authorization criteria or standard non-formulary prescription request criteria. To request a prior authorization or an exception, Providers please call or fax CVS Caremark®, HMSA's Pharmacy Benefit Manager.

Call: 1 (833) 266-8150

This drug list is subject to change and drugs may be added or removed without notice. Please contact HMSA to confirm your drug plan coverage.

This list is effective 07/01/2025.

Drug coverage information

The status of a drug on this list is current as of the date of this publication. The list serves as a guide to product selection for HMSA providers and members. The list is subject to change. Participating pharmacies have the most up-to-date formulary information at the time prescriptions are filled. New drugs, strengths, forms, and/or therapeutic categories will be reflected in the formulary, as applicable, following the completion of HMSA's review process.

Not all generic drugs may be listed.

Coverage of a drug will depend on your drug plan.

HMSA's mission is to provide the people of Hawaii access to a sustainable, quality health care system that improves the overall health and well-being of our state.

Check hmsa.com/contact for our holiday schedule and COVID-19 safety guidelines.

Abbreviations used in this formulary

Term	Definition
ACA	USPSTF recommended drugs covered at \$0.
AGE	Age Limit: Age requirements for coverage of drug.
Lowercase	Indicates generic drug.
PA	Prior Authorization: Requires that you or your physician receive approval from HMSA before we will cover your prescription.
QL	Quantity Limit: A limit on the amount of the drug that HMA will cover.
SP	Specialty drug with network requirements.
ST	Step Therapy: Requires you to first try certain drugs to treat your medical condition before we'll cover another drug for that condition.
UPPERCASE	Indicates brand name drug.
\$0	Zero copayment: When obtained from a participating provider, HMA pays 100% of the eligible charge. You owe no copayment.

Multi-language Interpreter Services

English: We have free interpreter services to answer any questions you may have about our health or drug plan. To get an interpreter, just call us at 1 (800) 660-4672 (TTY: 711). Someone who speaks English can help you. This is a free service.

Spanish: Tenemos servicios de intérprete sin costo alguno para responder cualquier pregunta que pueda tener sobre nuestro plan de salud o medicamentos. Para hablar con un intérprete, por favor llame al 1 (800) 660-4672 (TTY: 711). Alguien que hable español le podrá ayudar. Este es un servicio gratuito.

Chinese Mandarin: 我们提供免费的翻译服务，帮助您解答关于健康或药物保险的任何疑问。如果您需要此翻译服务，请致电 1 (800) 660-4672 (TTY: 711)。我们的中文工作人员很乐意帮助您。这是一项免费服务。

Chinese Cantonese: 您對我們的健康或藥物保險可能存有疑問，為此我們提供免費的翻譯服務。如需翻譯服務，請致電 1 (800) 660-4672 (TTY: 711)。我們講中文的人員將樂意為您提供幫助。這是一項免費服務。

Tagalog: Mayroon kaming libreng serbisyo sa pagsasaling-wika upang masagot ang anumang mga katanungan ninyo hinggil sa aming planong pangkalusugan o panggamot. Upang makakuha ng tagasaling-wika, tawagan lamang kami sa 1 (800) 660-4672 (TTY: 711). Maaari kayong tulungan ng isang nakakapagsalita ng Tagalog. Ito ay libreng serbisyo.

French: Nous proposons des services gratuits d'interprétation pour répondre à toutes vos questions relatives à notre régime de santé ou d'assurance-médicaments. Pour accéder au service d'interprétation, il vous suffit de nous appeler au 1 (800) 660-4672 (TTY: 711). Un interlocuteur parlant Français pourra vous aider. Ce service est gratuit.

Vietnamese: Chúng tôi có dịch vụ thông dịch miễn phí để trả lời các câu hỏi về chương sức khỏe và chương trình thuốc men. Nếu quý vị cần thông dịch viên xin gọi 1 (800) 660-4672 (TTY: 711) sẽ có nhân viên nói tiếng Việt giúp đỡ quý vị. Đây là dịch vụ miễn phí.

German: Unser kostenloser Dolmetscherservice beantwortet Ihren Fragen zu unserem Gesundheits- und Arzneimittelplan. Unsere Dolmetscher erreichen Sie unter 1 (800) 660-4672 (TTY: 711). Man wird Ihnen dort auf Deutsch weiterhelfen. Dieser Service ist kostenlos.

Korean: 당사는 의료 보험 또는 약품 보험에 관한 질문에 답해 드리고자 무료 통역 서비스를 제공하고 있습니다. 통역 서비스를 이용하려면 전화 1 (800) 660-4672 (TTY: 711)번으로 문의해 주십시오. 한국어를 하는 담당자가 도와 드릴 것입니다. 이 서비스는 무료로 운영됩니다.
